The event was held at Din Tai Fung restaurant, Pacific Place, Seattle, WA from 5:00-8:00 PM Thursday the 9th of June 2022. There were 27 paid registrants, almost a sellout. Thank you to Nora Vivarelli who was the chair of the Awards Committee and the event arrangements, assisted by David Axt. A social time including a 2021–2022-year recap slide show started at 5:00 PM and the meeting ended at 8:00 PM. The Program, arranged by David Axt, was about where we were meeting: "Pacific Place Renovations" by Gensler Seattle’s Scott Waggoner, AIA.

For our first live regular meeting in two years since the pandemic started, the attendance was impressive. Within the membership and other attendees there were, with some overlaps:

- 8 PSC Past Presidents from the 1990’s, 2000’s, 2010’s, and 2020’s
- 6 PSC Current 2021-2022 and Incoming 2022-2023 Board Members
- 3 Emeritus Members – Matt Gregory, Hugh Kuyper, and Vicki Long
- 2 CSI Fellows – Marc Chavez and Robert “Bob” Simmons
- 1 National CSI Past Board Chair, Fellows Chancellor, and Distinguished Member – Robert “Bob” Simmons
- 1 NW Region Officer and Mt. Rainier Chapter Officer – Mary Ann Akemi Shepherd
- 1 Puget Sound Chapter CSI Memorial Foundation Officer – Hugh Kuyper
- 5 Students from Lake Washington Institute of Technology
The Annual Meeting report was summarized by Matt Gregory as follows:

- Institute was rebranded and the chapter methods updated.
- Membership is at 127 (lost 10) with another adjustment July 1st for home chapter designations.
- Filled 2 of 4 Board vacancies with remaining leadership opportunity for a President Elect.
- Committees operating well with many volunteer opportunities available.
- Financially sound with profit realized.
- Emeritus member added: Gene Fosheim.

Both the current and incoming Board members were recognized and thanked for their past service and future commitments.

Bob Mandy introduced the students and Hugh Kuyper presented them each a $500 scholarship from the Puget Sound CSI Memorial Foundation. Five students were in attendance; the sixth (Maxell Kyle) was at architecture school at WSU in Pullman, WA for orientation, as he is starting this fall. Congratulations to our student scholarship recipients:

- Kacee Buker
- Lindsay Carlos
- Mahlet “Tammy” Debella

Summer 2022 Newsletter Message

David Axt, 2022-2023 PSC CSI President

It's Deja vu all over again!

I was president of our fine Chapter in 2005 to 2006….and here I am president AGAIN!

Boy things were a lot different back then! We had an association management company running the Chapter's day to day operations. The Spectrum was a paper newsletter that was mailed out. We had a small pocket directory of all our Chapter members and contact information (included fax numbers). Our regular Chapter dinner meetings were held at the College Club across from the newly built Seattle Public Central Library. We had grown to about 375 members. ProSpec was held at the Seattle Convention Center. Specifiers wrote on papyrus with oxblood ink. (Okay I made the last one up.)

Technology certainly has changed. (Sometimes I think it has left me in the dust.) Our Chapter members run most of the day-to-day operations (luckily, we do have a great bookkeeper). We have done meetings via Zoom, though we are back to in-person meetings. We have lots of online tools for managing our membership. Our Spectrum newsletter is online on a website.

Even the structure of CSI National has changed. The biggest change recently (as of July 1) is that CSI members are assigned a single home chapter with a chapter dues rate of $100. No longer can you be a member of several chapters. (Though you can still be involved in other chapter's and attend other chapter's activities.)

One thing that has not changed over the years is that we need members to participate. So, if you are willing to lend a hand, have fun and learn, let us know. We would be happy to have you join us!

I am looking forward to a fun and educational year with you.

Thanks,

David G. Axt  CCS, CSI, SCIP
