CUES LEARNING PORTAL

POWERED BY degreed.

1 Log into cues.org by clicking *Log In* in the upper right corner of the screen. Select Forgot my Password if you are logging in for the first time.
Recommended browsers: Chrome, Firefox, Edge

2 Click on *My Account* and *My CUES Learning Portal* to launch a new browser tab, taking you directly to your CUES Learning Portal homepage.

3 Click on **Get Started** to walk through the brief onboarding process

4 To help identify potential topics and skills of interest for you, select a role, or type one into the search box and click **Next**.
You may also skip this step by clicking **Skip Step** if you do not select a role.

Note: this does not assign the role to you but simply helps in identifying potential topics/skills of interest for the next step.
