## EXECUTIVE COMPENSATION SURVEY

### Welcome to CUES Executive Compensation Survey.

Our compensation survey includes salary, incentives, benefits and retirement data. Your data contributes to industry benchmarks on compensation practices within the credit union industry. This valuable tool can be utilized to ensure competitive compensation packages for your credit union executives. This survey is composed of two parts:

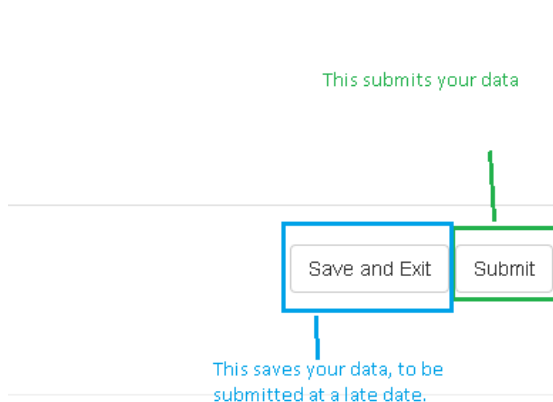

- Credit Union Profile** – This section collects profile information about your credit union, such as asset size, number of branches and other demographics. This information is used for benchmarking against your peers, so it is important that this information is current.
- Executive Compensation Survey (available after completing Credit Union Profile)** – This section collects compensation, benefits and incentive information on key executive level employees. If you would prefer to complete the survey in Excel, please click [here](#) to download the file.

Need access to CUES Executive Compensation reports? Purchase access to our online reporting tool and run unlimited reports for the next 12 months. View a sample report and find out more at [cues.org/ecs](http://cues.org/ecs).
