

How to join and leave communities on Share Plate

A guide for joining the conversation in Dietitians Australia's Interest Groups and Discussion Groups

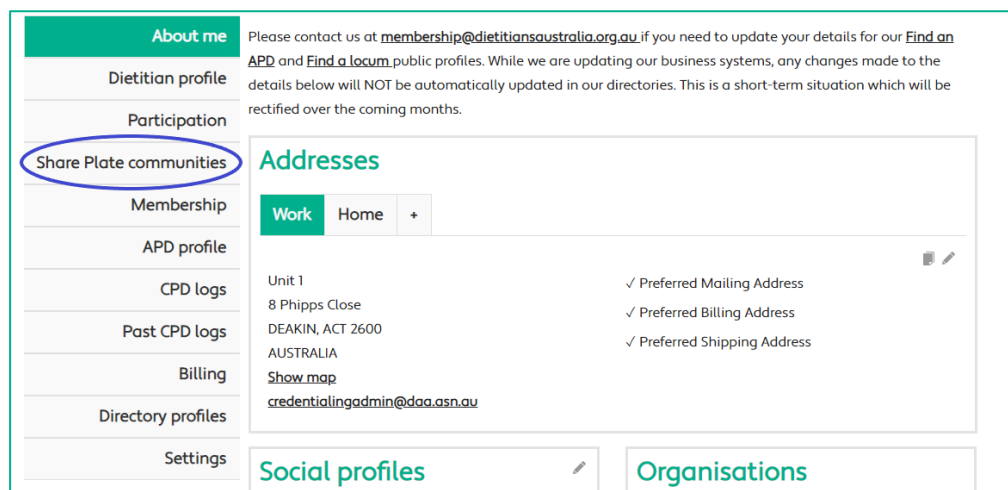

Step 1: Sign into the Member Portal and click your name in the top menu

You'll then be taken to your profile page at <https://member.dietitiansaustralia.org.au/profile>

Step 2: Click on the Share Plate communities tab

Click on the '[Share Plate communities](#)' tab; the fourth tab on the left-hand side. This tab will show you the full list of Interest and Discussion groups available for you to join.

Step 3: Select the Interest Groups and Discussion Groups you'd like to join or leave

Select the groups you'd like to join and then click 'save'. There is no limit to the number of groups you can join. You can also unselect the groups you are currently a member of but would like to leave.

A NOTE ON TIMING: As our system syncs overnight, your request to join or leave these groups won't happen immediately. The updates will appear in your 'my communities' list on Share Plate the following day.

Step 4: Check your communities in Share Plate (please remember to allow 24 hours for requests to be activated)

Click on Share Plate in the top header menu of the Member Portal.

You'll then be taken to Share Plate engagement platform (and will be automatically logged in).

Go to the 'Communities' section. Click on '[All communities](#)' to see the full list of communities available, or visit '[My communities](#)' to see the communities you are now part of.

See other communities that look interesting? Simply go back to the Share Plate tab in your [Member profile](#) and repeat the process.

Step 5: Join the conversation

Click on the name of the community to see the latest discussions, view resources in the library or see upcoming events. For further information on how to get involved in Share Plate, check out our Support resources at <https://shareplate.dietitiansaustralia.org.au/help>.
