OPIOID RESPONSE SYMPOSIUM

Register Now

**DCHA is Requesting
6.0 CE Credits for
Physicians, Nurses,
Social Workers and
Pharmacists**

Register today to attend this targeted event designed for community- and hospital-based providers in the District who assist or are involved in treating opioid use disorders (OUD). Speakers and panelists will discuss:

- OUD Trends in the District
- Stigma
- Intersection of OUD and Behavioral Health
- Clinical and Peer Perspectives in Addressing Common Barriers
- Trauma, Health Equity and the Opioid Crisis

DCHA Program Services Company, Inc. is a subsidiary of the District of Columbia Hospital Association.

Emergency Department Medication Assisted Treatment is a program of the District of Columbia Hospital Association, in partnership with the Mosaic Group and funded by the DC Department of Behavioral Health.
