**UPCOMING BEST PRACTICES WEBINAR**

**SUPPLIER CODE OF CONDUCT**

- The updated Supplier Code of Conduct is available for download on the DII website. The DII offers the Model Supplier Code of Conduct as a common guideline to be used by DII members to reduce redundancy and simplify the effort of setting expectations with suppliers. In addition to the content and graphical layout being updated, this latest version has a customizable logo and contact information area that allows companies to add their own information. Make it easier on yourself and your suppliers (standard document for multiple customers) by using the DII Model Supplier Code of Conduct as a common guideline.

**SMALL BUSINESS TOOLKIT**

- The Small Business Toolkit is now available in sections, which you can download separately on the DII website.

**MINORITY-OWNED & SMALL BUSINESS TESTING**

- The Small Business Toolkit is now available in sections, which you can download separately on the DII website.

**WEB SITE - MESSAGES BOARD**

- As we approach mid-year, we encourage all of our member companies to log in to MessageBoard (dii.org) and start exchanging your group's approaches to various topics.

**MENTOR PROGRAM**

- The DII Working Group on Ethics & Compliance (DII WorkGroup) recently conducted a successful 2nd Quarter webinar on May 27, 2020 on the topic of the Cybersecurity Maturity Model. Our presenters were Charles "Chuck" Neff of Newport News Shipbuilding and Huntington Ingalls Industries, Inc. and Tracy Scroggins of United Launch Alliance. Chuck and Tracy provided an overview of the new Department of Defense unified cybersecurity model and provided a discussion of the requirements, examples that have led up the requirements, the actions being taken by companies with examples from both the prime contractor and the supplier perspective and how the ethics and compliance group is supporting the cyber maturity model.
