

SPONSORSHIP OPPORTUNITIES

This summit will bring together district energy leaders from across the Northeast.

The IDEA Northeast District Energy Summit will take place at Con Edison Corporate Headquarters in New York City, Friday, December 4 with an optional tour of Con Edison's East River Plant on Dec 3.

New York City has long been a global leader in energy innovation, and today the city stands at the center of some of the most important conversations shaping the future of urban infrastructure.

As building owners, utilities, campuses, policymakers, and communities navigate decarbonization goals, rising energy demand, grid constraints, extreme weather, and evolving regulations, district energy systems are emerging as a critical solution. This IDEA District Energy Summit will bring together industry leaders to explore the opportunities that exist in the market for district energy to make a difference. The summit will be a highly interactive format featuring expert presentations, case studies, panel discussions, and ample opportunities to connect with peers tackling similar challenges.

A portion of sponsor proceeds will help underwrite participation of invited public leaders from cities, communities etc.

Show your support by sponsoring the International District Energy Association's Northeast District Energy Summit in New York City.

Choose the level that works best for you.

Sponsor Benefits	Gold \$6,500 (4 available)	Silver \$4,000	Bronze \$2,000
