

IDEA PACIFIC NORTHWEST

District Energy Summit

Washington Athletic Club • Seattle • Oct. 29, 2025

SPONSORSHIP OPPORTUNITIES

This summit is intended to bring together district energy leaders from the Pacific Northwest to discuss current, relevant topics.

Show your support by sponsoring the International District Energy Association's one-day summit, **Wednesday, Oct. 29, 2025**, in Seattle.

The IDEA Pacific Northwest District Energy Summit will convene policymakers, utilities, system operators, regulators, financiers, and industry leaders for a full-day exploration of how district energy and thermal networks can accelerate decarbonization, strengthen grid reliability, and enhance affordability in the region. Through panels and case studies, the program will examine policy and regulatory frameworks, lessons learned from pioneering projects, innovative technologies, and financing strategies that enable scalable solutions. With perspectives from legislators, utilities, campus and downtown operators, and labor and finance experts, the Summit will highlight pathways to overcome barriers and advance community-scale energy solutions across the Pacific Northwest.

As a workshop sponsor, your organization will demonstrate industry leadership, showcase your experience and capture valuable visibility while enjoying the recognition opportunities in the adjacent table.

Choose the level that works best for you.

Sponsor Benefits	Gold \$5,000	Silver \$2,500	Bronze \$1,000
