

# CampusEnergy2027

Feb. 16-19, 2027 | Town & Country Resort | San Diego, CA

www.districtenergy.org

## TABLE TOP EXHIBITS

**You won't want to miss this unique opportunity to reach a very targeted audience.**

**CampusEnergy2027** will attract more than 1,400 attendees, including hundreds of campus physical plant managers who maintain and upgrade the facilities at a college, university, airport or healthcare campus. The IDEA Campus Energy Conference is widely recognized for its high-quality technical program and peer exchange, attracting campus engineering and utility professionals eager to solve problems and share solutions. This event provides you with direct access to district energy professionals in a relaxed atmosphere that is conducive to meeting with potential customers.

This is the 30th year for table top exhibits at this conference, and it continues to be a very popular format. Exhibit space is limited. Only 156 table top spaces will be available for this CampusEnergy2027 Conference.

Companies that agree to exhibit at this conference and IDEA2027 in Raleigh, NC will receive a discounted price if both exhibit fees are **paid** by Oct. 30, 2026.

Return your completed contract to Tanya Kozel at  
tanya.idea@districtenergy.org

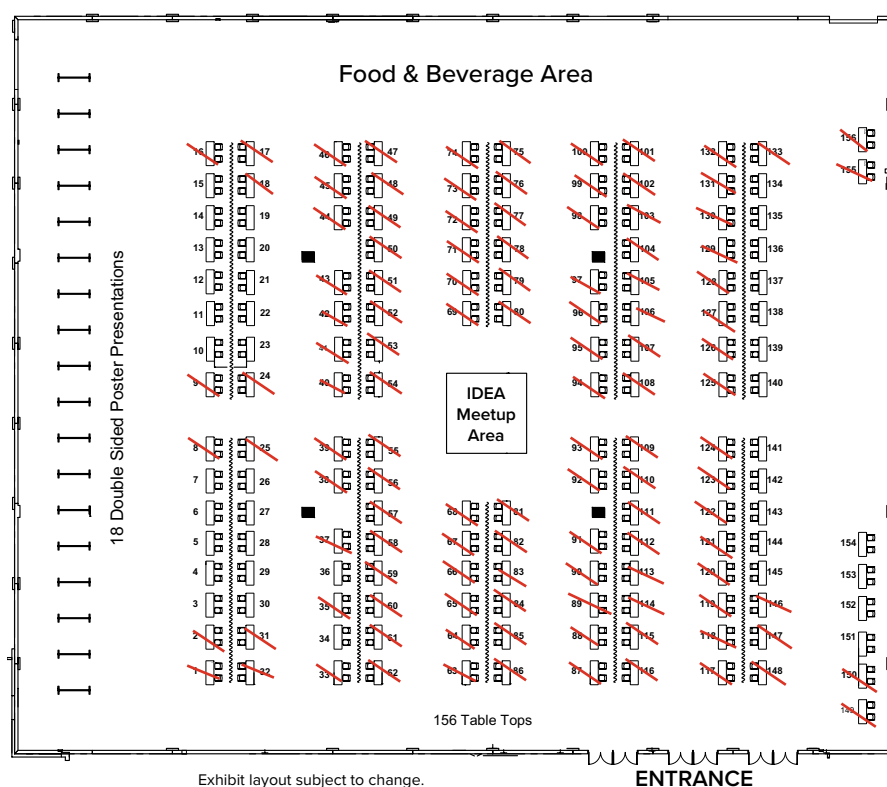

Exhibit layout subject to change.

ENTRANCE
