

ENERGY COUNCIL OF THE NORTHEAST
**BOARD OF DIRECTORS AND
STANDING ALTERNATES**

Mission Statement:

An energy association dedicated to providing services that advance the capabilities of our members.

2016-2018 Goals

1. That the industry is positioned and informed to provide consumers with access to value and options in energy choices.
2. That members have access to a reliable marketplace of information that facilitates solutions to important energy industry issues.
3. That ECNE has membership representing diverse sectors of the industry who are engaged in leadership and all services, resulting in financial stability and growing participation.
