

MICHIGAN ENA 2022 CONFERENCE

MAY 3-4, 2022 | JACK OF ALL TRADES | GRAND RAPIDS, MICHIGAN

Welcome to our 2022 education conference, Jack of All Trades! This is the first time we have been in-person since 2019 and we are thrilled that you could join us.

We hope that you have a great time at the conference and learn a few things as well.

We want to extend a big thank you to the entire education planning team and Michigan ENA Board for making Jack of All Trades possible!

Thanks to,

Chelsea Meixner, BScN, RN, CEN, TCRN, CPEN, EMT-B

Pre-Conference Sessions

EKG Course 1300-1700 Tuesday - Nelson Room

** extra fees apply **

Registration begins at 1230

This interactive session will build confidence in your ability to identify critical changes in the 12 lead ECG and guide you in your treatment decisions. Topics include a systematic review of a 12 lead ECG with a deep dive into axis deviation, fascicular blocks, Bundle Branch Block patterns, and STEMI conditions.

Presented by Jeff Trosper BS, CCT-P I/C, CHSOS

Jeff Trosper is a Critical Care Paramedic and Instructor Coordinator with the State of Michigan and spent over 33 years in EMS. He proudly served in the U.S Army and is currently a Certified Simulation Operations Specialist and Educator working in the Clinical Education Center at Mercy Health Saint Mary's in Grand Rapids. His company, Innovative Medical Education provides AHA BLS, ACLS, and PALS certification courses, as well as continuing medical education courses for local EMS and First responders agencies.

Michigan State Council

State Council Meeting Tuesday From 1400-1600

Held in the Eames Room - All are welcome to attend!

CEN Review Course 0800-1630 Tuesday - Salon B

** extra fees apply **

Registration begins at 0730

Presented by Pamela D. Bartley, BSN, RN, CEN, TCRN, CCRN, CFRN, CTRN, CPEN

Pam has over 35 years' experience as an emergency nurse and educator. In 2011, she started PDB Nurse Education, LLC to work full-time on her passion, teaching CEN, CPEN, TCRN, and CCRN Review Courses. Additionally, she teaches BLS, ACLS, PALS, TNCC, and ENPC. She was elected as the South Carolina Emergency Nurses Association's President in 2001 and in 2013. In 2014, Pam was honored as the South Carolina Area Health Education Center (AHEC) Educator of the Year and was selected for the 2014 ENA Board Mentoring Program and the Academy of Emergency Nursing's EMINENCE Mentoring Program.

Ashley Voss-Liebig RN, BSN, CCRN, NREMT

Ashley is a US Army Veteran, Division Chief for Clinical Performance and Education for Travis County. Ashley is the future author of the book titled 'Walk Fast, Talk Loud'. A jack-of-all-trades, Ashley's passions include, leadership, human performance, PHARM, mental health and taking care of one another. She is a purveyor of, and enthusiastic advocate for, Free Open Access Medical Education (#FOAM). Ashley delivers lectures around the globe, is a frequent podcast guest and is an author /editor for the UK based St. Emlyn's Blog and Podcast.

Ashley will be leading sessions on Feedback, Team Resuscitation, and Decision Fatigue

May 4, 2022

Agenda

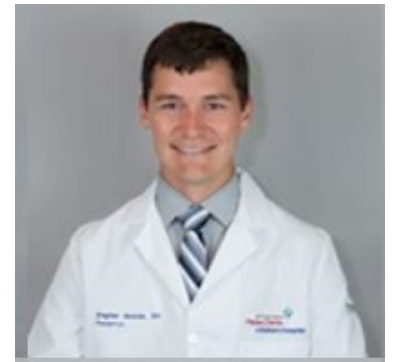

0700-0800 Registration and Breakfast 0800-0815

Welcome - Chelsea Meixner

0815-0845 Team Resuscitation - Ashley Voss-Liebig RN, BSN, CCRN, NREMT

0845-0915 New Kid on the Block: MIS-C - Stephen Gunnink, DO Pediatric Emergency Medicine Fellow

Stephen is a board certified pediatrician currently in his 2nd year of fellowship training for pediatric emergency medicine at Helen DeVos Children's Hospital here in Grand Rapids, Michigan. Dr. Gunnink completed medical school at Midwestern University Chicago College of Osteopathic Medicine and completed pediatric residency at Helen DeVos Children's Hospital.

0915-1000 Care of the Pediatric Trauma Patient: Specific Concerns in Triage, Monitoring & Management - Dimitra Lotakis, MD

Dimitra is a third-generation Greek-American, born and raised in rural Alaska. After moving to Washington State at the age of 11, she became heavily involved in mixed martial arts and lacrosse. She had the pleasure of completing both undergraduate and medical education at the University of Washington, including time off working as a research scientist in the Department of Medical Genetics. It was also during this time that she completed pre-medical student internships in Alaska and Greece along with a multidisciplinary medical mission in Nicaragua and Honduras.

Upon concluding medical school, she relocated to New York City for General Surgery training with New York Medical College-Metropolitan Hospital Center. Following the second year of residency, she travelled to Montana to complete a dedicated year of rural training based at Kalispell Regional Medical Center in the beautiful Flathead Valley. This was an unfathomable amount of clinical experience and professional development, all while completing numerous hikes, catching a lot of fish, and winning an Oktoberfest Log Sawing Contest. Throughout the course of residency Dr. Lotakis maintained her interests in research, volunteerism, and education. She collaborated closely with faculty and administration of both Emergency Medicine and General Surgery residencies to develop educational curriculums, technical skills labs, and simulation events.

Following graduation and successfully becoming a Board Certified General Surgeon, she relocated to Ann Arbor for Pediatric Surgical Critical Care Fellowship at the University of Michigan C.S. Mott Children's Hospital. Dimitra has been thoroughly enjoying all the Midwest has to offer, both academic and personal. Her travels have included Cadillac, Traverse City, Charlevoix, Mackinaw Island, driving the bridge to Sault Ste. Marie.. and now GRAND RAPIDS!

May 4, 2022

Agenda

1000-1030 Break

1030-1115 Personal Disaster - John Snider

1115-1145 Time Travels of the Emergency Nurse
- Sheila Meshinski BSN, CEN, CFN

John E. Snider is currently the Emergency Preparedness Coordinator for Henry Ford Hospital and Health Network.

He is a former ER nurse, soldier, firefighter, paramedic and an Eagle Scout. He is an adjunct professor at Madonna University in Disaster Management. John has co-authored 3 books on disaster operations. He finishes his nerd card as coach of a chess team and leader of a Scout troop. He spends his off time with astronomy, woodworking, fishing, hunting, golfing and annoying his wife and 3 kids.

Visit All of Our Sponsors AND

Sheila Meshinski has been a practicing Emergency/Critical Care nurse since 1975. She is currently the Emergency Department Educator at Henry Ford Macomb Hospital and works as a Staff Nurse in the ED at Children's Hospital in Detroit. She serves as a TNCC and ENPC Course director for numerous Metro Detroit Hospitals. She is adjunct faculty at Oakland University, teaching an Emergency/Critical Care Course to BSN students. She is the Nursing representative on the Michigan Health Advisor Board on Human Trafficking and has been a SANE nurse for over two decades.

May 4, 2022

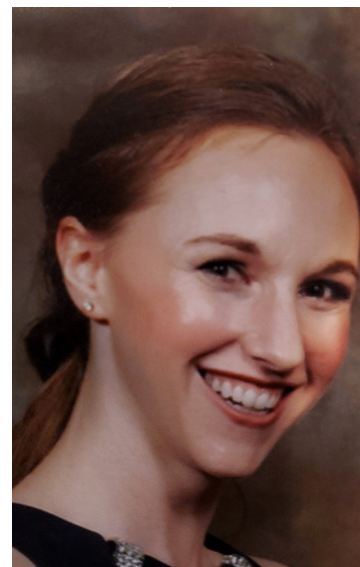

Agenda

1145-1215 "Burn Care: How to Get Them Out of Your ER Safely" - Meghan Sutton MSN, RN, FNP-C

1215-1300 Networking, Gerri Muller Memorial, Lunch Break

1300-1400 How to Stack the Deck & Win Big: Cultivating Mental Health in the Emergency Nurse - Jennifer M Peltzer- Jones, PsyD

Meghan Sutton is a Family Nurse Practitioner working in Detroit, Michigan. She received her BSN from Kent State University in 2009 and worked as a RN for 7 years in inpatient care. With a desire to change to outpatient care she went on to graduate from Oakland University in 2016 with a MSN. Receiving her certification as a FNP through the American Academy of Nurse Practitioners. Currently employed through Detroit Medical Center, she has been working in the Adult Burn Center since 2017. The focus of her work is the outpatient management of burns and other related diagnoses. This specialty includes burns sustained by thermal, chemical, electrical, friction, and inhalation injuries.

Dr. Jennifer Peltzer-Jones is the Assistant Medical Director of Emergency Behavioral Services for the Department of Emergency Medicine for Henry Ford Health System. She first earned her bachelor's degree in the Science of Nursing (BSN) from De Sales University in 1997 and went on to obtain a master's degree in the Science of Clinical Psychology (MS) from Millersville University in 1999, and a Doctor of Psychology Degree (PsyD) from La Salle University in 2006. She moved from her hometown of Philadelphia to Michigan in 2005 to complete 3 years of pre-doctoral internship/post-doctoral fellowship in Health Psychology. She was hired as the first Health Psychologist to work directly for the Department of Emergency Medicine and remains one of only a handful of Psychologists in the country in such a position. Dr. Peltzer-Jones' is the elected representative of the Michigan Psychological Association for the national American Psychological Association's Council of Representatives. She is a locally and nationally recognized advocate for improving emergency behavioral health care and participates in multiple hospital, community, and State projects focused on improving mental health access and care. She created the first trauma psychology service within Henry Ford Health System's Level 1 Trauma center, working with patients immediately post-acute trauma delivering secondary preventions to mitigate the risk of developing post-traumatic stress disorder.

Dr. Peltzer-Jones has researched and published in areas such as emergency department frequent utilizers, psychiatric medical clearance, and more recently, sources of burnout in emergency department physicians during the COVID19 pandemic. Her first research project – her doctoral dissertation – examined nursing burnout as being a nurse herself, she recognized the need to develop interventions for this phenomenon. Over the last 2 years of the pandemic, she has been especially focused on the experiences of ED staff and how they are (or not) caring for themselves during this time. She has been researching positive psychology and mindfulness principles in order to find ways to deliver and have staff accept such mental health practices.

May 4, 2022

Agenda

1400-1430 A Look at Farming Accidents and Agricultural Injuries - Meghan Wright BSN, RN CCRN, CFRN, EMT-P

1430-1445 Break

1445-1515 Decision Fatigue - Ashley Voss- Liebig RN, BSN, CCRN, NREMT

Meghan Wright BSN, NREMT-P earned her Bachelor of Science degree from the Kirkhof College of Nursing at Grand Valley State University. She has 16 years of nursing experience and 8 years of experience as a flight nurse. Meghan's favorite thing about flight nursing is the wide range of patients and illnesses treated during a single shift.

1515-1600 Survivors Story - Naked in the Trauma Bay: PTSD and Me - JoAn Beckman MSN, RN, CCRN, CEN

1600-1630 MENA Education/ Foundation Raffle

JoAn has a passion for ED nursing, lifelong learning and sharing her experiences with other ED nurses to advance their practice. Her career spans 40 years as a Critical Care, Cardiac Cath Lab, and ED nurse and educator. She loves nursing education and utilized simulation to advance critical thinking in new graduate ED nurses. She has taught hundreds of BLS, ACLS and TNCC classes and learns something from her students at every class. She has been an active ENA member at the state and local level and this past fall presented at ENA 21. She had the best job in the world, but was unprepared for the lessons learned from a truck and a pair of trauma shears to suddenly dealing with PTSD and all of the suppressed memories of horrific patients she had cared for.
