

# Michigan Emergency Nurses Association (MENA)

## is offering 1 Year FREE ENA Membership to GRADUATE NURSES

### Why join the Emergency Nurses Association?

The Emergency Nurses Association (ENA) provides emergency nurses with education, advocacy, and professional support throughout every stage of their career. Members gain access to high-quality continuing education, certification resources, leadership opportunities, and a strong professional network while ENA advocates for safer workplaces and better patient care at the state and national levels.

### Who is eligible?

- New Registered Nurses who have held a nursing license for 1 year or less upon application date
- Working in an emergency department
- A Michigan nursing license

### Who is NOT eligible?

- A Nurse who has held a nursing license for more than 1 year upon application date
- Not working in an emergency department
- A Nurse who does not work or live in Michigan
