## OBJECTIVES

At the completion of this program, the participant will be able to:

- Describe the challenges of providing emergency medical care across the continuum in rural and underserved areas of the US.
- Describe how healthcare providers as a team can educate families, the public, and other healthcare professionals about pediatric abusive head trauma to help reduce the incidence, morbidity and mortality.
- Identify the immediate priorities of the initial stabilization following thermal injury.
- Discuss opportunities & strategies for improvement in pediatric treatment

## TARGET AUDIENCE

This symposium is designed to meet the educational needs of physicians, physician assistants, nurse practitioners, family practitioners, family practice residents, medical students, nurses, EMS and all other allied health care professionals caring for trauma patients.

## DISCLAIMER

The opinions and recommendations expressed by faculty and other experts, whose input is included in this activity, are their own and do not represent Pikeville Medical Center endorsement. Please review the complete prescribing information of specific drugs or combinations of drugs, including indications, contraindications, warnings and adverse effects before administering pharmacological therapy to patients.

## ACCREDITATION STATEMENT

### PHYSICIANS

Pikeville Medical Center is accredited by the Kentucky Medical Association to sponsor continuing medical education for physicians.

Pikeville Medical Center designates this live activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

### NURSES

Pikeville Medical Center is approved by the Kentucky Board of Nursing as a continuing medical education provider and will award 4.8 nursing contact hours for this program. KBN provider number 4-0042-12-20-0011 "Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content."

### DISCLOSURE STATEMENT

It is the policy of Pikeville Medical Center to adhere to ACCME Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All faculty and planners, along with the Activity Director and Co-Director, participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity.

Faculty members are also expected to disclose any discussion of (1) off label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States. All disclosures will be made at the time of this CME activity
