

DC Chapter Commemorates 30th Anniversary of Entrepreneurs' Organization with Founder Verne Harnish

Milestone Celebration Marking 30 Years of Significance

Washington, DC, USA (23 January, 2017) - The Washington, DC chapter of Entrepreneurs' Organization (EO), celebrated EO's 30th Anniversary with a commemorative event at the St. Regis this past weekend. The celebrations brought together over 140 member entrepreneurs for a gala networking dinner and a special talk delivered by the Founder of EO and DC Chapter Patron, Verne Harnish.

Since its launch, EO has grown to over 12,000 members in 170 chapters and 53 countries. Chapters the world over have joined in the 30th anniversary celebrations this year to commemorate EO's commitment to transforming the lives of the entrepreneurs who transform the world.

EO's Global Chairman, Brian Brault said, "As a long-standing member of EO, I have been privileged to learn from and work alongside entrepreneurs across the globe. Through my EO journey, I have witnessed personal triumph, the success of my peers and have seen first-hand the positive impact our global network creates for the community at large. It's been 30 years since it all began and it's only befitting that we celebrate this remarkable milestone with the man that took the first step to make this happen."

Sharing highlights from the evening, **Marsha Ralls, EO DC Chapter President** said, "As Chapter President for the 30th Anniversary, I am so honored to serve and celebrate EO DC, its founder Verne Harnish, EO Global Chair Brian Brault and the many VIP guests and friends that joined us. The excitement was exhilarating with EO alumni and many of the region's top entrepreneurs on hand to honor EO 30!"

Over the course of 2017-2018, members across the world have united to celebrate EO's impact, reflect on progress and look ahead to the next 30 years. Marking the milestone anniversary this year, EO also launched the Patrons Program to help build engagement with "superheroes" in the entrepreneurial space.
