Translational Research Evaluation TIG

AEA Conference Information
There are a number of ways to stay engaged with the TRE TIG at this year’s AEA conference!

- **Come by and visit our TIG Table!** We’ll have a table set up at the Poster Exhibit & Meet the Authors Reception on Wednesday, November 11th from 7:00pm to 9:00pm.
- **TIG Business Meeting and Dinner:** Join us for our second annual TRE TIG business meeting scheduled for Thursday, November 12th from 7:15-8:45pm in Plaza A. Refreshments will be served at the meeting and we will be gathering for dinner and drinks (venue TBD) immediately following the business meeting. Please RSVP to Eunbyul Evans (Eunbyul.Evans@med.usc.edu).
- **TRE TIG Sponsored Sessions:** Attend the following sessions sponsored by the TRE TIG at this year’s meeting
  - **Wednesday Concurrents 4:30pm-6:00pm** [1394:Community Engaged Research Innovation: Developmental Evaluation Approaches in Assessing Translational Research](#)
  - **Wednesday Concurrents 6:15pm-7:00pm** [TIE1:Community and Cultural Aspects of Translational Research](#)
  - **Thursday Concurrents 8:00am-9:30am** [1801:Use of Developmental Evaluation in Translational Research: Innovative Approaches to Evaluating Innovation within the Clinical & Translational Science Award (CTSA) Program](#)
  - **Thursday Concurrents 11:00am-11:45am** [1731:Are We Transdisciplinary Yet? The Quest to Identify Factors of Successful Transdisciplinary Team Science for Evaluation](#)
  - **Thursday Concurrents 11:00am-11:45am** [2798:Borrowing from Lean Six Sigma to Enhance Evaluation](#)
  - **Thursday Concurrents 11:00am-11:45am** [1312:Evaluating Large Research Center Programs: Lessons Learned from CDC and NIH](#)
  - **Thursday Concurrents 11:00am-11:45am** [2635:Evaluating Research Infrastructure Programs: Strategies and Lessons Learned](#)
  - **Thursday Concurrents 2:00pm-2:45pm** [RTDE4:International Perspectives on Evaluating Investments in Research and Innovation: From People to Programs](#)
  - **Friday Concurrents 8:00am-9:30pm** Application of the Rapid Synthesis and Translation Process (RSTP): From concept to dissemination and everything in between.
  - **Friday Concurrents 3:30pm-4:15pm** [RTDE3:Implementing Logic Model Frameworks that Evaluate Research Impact](#)
  - **Saturday Concurrents 9:45am-10:30am** [RTDE5:Utilizing group and individual level factors to evaluate research collaboration](#)
  - **Saturday Concurrents 10:45am-11:30am** [RTDE1:Evaluating systems of large public research laboratories: Insights from the Department of Energy National Laboratories](#)
