November Branch Meeting
Date: November 14th
Time: 11:45 am to 1:00 pm*
Location: ReWa Discovery Lab
564 Mauldin Rd, Greenville, SC 29607

Presentation: Current Transportation Projects in Anderson County
Presented by Gaye Sprague, PE

Gaye Garrison Sprague, P.E. has BS and MS degrees in civil engineering from Clemson University and from 1985 to 2021 was the owner and principal of Sprague & Sprague Consulting Engineers. The firm provided traffic engineering and transportation planning services to public and private clients in the Carolinas and Georgia. Since 2021 she has had the privilege and pleasure to work part-time for her home county of Anderson as the Traffic Engineer.

As a volunteer, she has served on the South Carolina Board of Registration for Professional Engineers and Land Surveyors, as chair of the Board of the Greenville Transit Authority, and as chair of the Greenville Chamber of Commerce Transportation Committee. She has been active in organizations for traffic, civil, and professional engineers and has taught undergraduate and graduate civil engineering courses at Clemson. Gaye served as one of two at-large representatives on Greenville City Council 2009-2017.

She has supported many community organizations as a volunteer and is currently serving as chair of the Board of Genesis Homes. After living in Columbia and Charlotte, Gaye has been a Greenville resident since 1983. She is married to Joel Sprague, and their son Jay, his wife Mollie, and their children Colson, Reid, and Caroline also live in Greenville.
