*Late arrival to meeting following Roll Call
**Guest
2) Acceptance of Minutes – Monica Cر
   a) The minutes from the February 6, 2023, Board of Directors meeting were presented. A vote to
      approve the February Minutes is deferred to the April Board Meeting.

3) Treasurer’s Report – Tom Janicke
   a) In the absence of the Treasurer, President Homola presented the March 6, 2022, Treasurer’s
      report. (See attachment 3)
   b) Chair Kirby noted that he submitted an invoice request today (3/6/23) to Treasurer Janicke for
      the TFIC Legislative Lobby Day sponsorship.
   c) The treasurer’s report was presented. President Elect Huffman motioned to approve the April
      Treasurer’s report as presented with a second from Director Revzin. Motion passed with 14 – 
      aye and 0 – no.

4) New Business - Guests
   a) ASCE 2024 President Elect Candidate Feniosky Peña-Mora – Sandra Homola
      i) President Homola introduced guest Feniosky Peña-Mora who is running as one of the two
         nominees for the ASCE 2024 President Elect.
      ii) Candidate Peña-Mora, a former University of Illinois professor, expressed his thanks to the
         ISASCE Board for allowing him to join the group and share his vision for ASCE. Feniosky
         would like to continue to harness the diversity of ASCE membership. He plans to embrace
         the strength and variety of talents across the ASCE Regions, Sections, and Technical Groups.
         Candidate Peña-Mora’s experience in both the education realm and private sector allows
         him to embrace all aspects of ASCE membership. He would be honored to serve as the
         ASCE 2024 President Elect and looks forward to future engagement with the Illinois Section.
   b) Sponsorship Request for IIT ASCE Student Chapter – IIT ASCE Student Members
      i) ASCE Student Members from IIT presented a request for sponsorship funding from the
         ISASCE. (See attachment 4b)
      ii) Student member in attendance included Cameron Kramer, Vice President; Dulce Rivera,
          Secretary; Robert Llanos, Fundraising Chair; and Volodymyr Dutchyn, Student Conference
          Chair.
      iii) President Homola thanked the students for joining the ISASCE Board meeting to present
          their scholarship request. The ISASCE Board is please to support the IIT Student Chapter
          with a $2,000 scholarship in 2023. President Homola will put the students in contact with
          Treasurer Janicke via email for scholarship payment.

5) Old Business
   a) 2023 Convention Planning Update – Karen Kabbes
      i) The local subcommittee is continuing to plan for the technical tours. Tour options under
         consideration include Chicago Style Bascule Bridge, Chicago Riverwalk, DuSable Museum &
         Obama Library, Water treatment/Water reclamation (Jardine or MWRD), Northerly Island,
         and a Chicago Architecture Tour.
         (1) Proposed tour options to be finalized by March 22, 2023.
      ii) An outreach event is slated for October 18, 2023. The local subcommittee is still exploring
          options but is considering a STEM focused project via Seimsan.
b) 2023 ACEC Engineering Excellence Awards – Andrew Walton
   i) Tom Janicke attended the awards dinner on February 16, 2023 on behalf of the Illinois Section. The dinner and ceremony included presentation of 11 Honor Awards, 11 Special Achievement Awards, and 9 Merit Awards. More information can be found at https://www.acecil.org/awards/engineering-excellence-awards-winners/

c) National Legislative Fly-In (Washington, DC): March 1-3, 2023 – Sandra Homola
   i) President Homola briefly recapped the events of the Legislative Fly-In held last week in Washington, DC. (See attachment 5c)

   6) New Business

a) 2022 & 2023 IS-ASCE Calendar – Sandra Homola
   i) President Homola provided an updated IS Calendar. (See attachment 6a)
   ii) Upcoming events include: 4/3 IS Board Meeting, Western Great Lakes Conference Student Competition (4/13-4/15), Springfield Legislative Drive Down Day (4/19) & President-Elect Dinner (4/26)

b) 2023 Scholarships – Josh Starzyk/Steve Randolph
   i) Info sessions to promote Scholarship applications were held with UIC (February 8), Northwestern (February 9), and IIT (February 15). The UIC session had low attendance of only 4 students, however the IIT and Northwestern sessions were well received and attended.
   ii) Scholarship Committee Co-Chair Starzyk reminded members that Scholarship applications are due March 20, 2023.

c) President Elect / Spring Dinner – Matt Huffman
   i) President-Elect Huffman provided an update on the dinner planning. (See attachment 6c.)
   ii) Note – the dinner has been moved to Wednesday April 26, 2023 to accommodate a change in President-Elect Geldert-Murphy’s travel schedule.
   iii) The contract with Maggiano’s Little Italy is finalized for the 5pm-7:30pm dinner event. Online registration will open in early April.

d) Legislative Lobby Day (April 19, 2023) – Matt Kirby
   i) Registration is now open for the TFIC Lobby Day on April 19, 2023. IS members should register here and write “ASCE” in the sponsoring organization guest field.
   ii) Chair Kirby has submitted the sponsorship invoice request to Treasurer Janicke. Chair Kirby may request additional funding to print additional copies of the Illinois Section Report Card to bring to the Legislative Lobby Day.
   iii) Region 3 Governor Lazzara would like to coordinate ridesharing for IS members driving to Springfield for the event.

e) Illinois Junior Academy of Science State Exposition Sponsorship – Sandra Homola
   i) President Homola shared a request from the Illinois Junior Academy of Science (IJAS) for a sponsorship of the upcoming Annual State Exposition at Southern Illinois University on April 28th-29th. (See attachment 6e.) IJAS supports student interest and engagement in STEM

Page 3 of 6
with a competition for students to research and present findings at local, regional and state level science fairs.

ii) President Homola put a motion on the floor for the ISASCE to provide a $500 sponsorship of the IJAS State Exposition that includes a special award (chosen by ISASCE) that will be awarded to one student at the competition.

(1) An ISACE member is invited to join the competition in Carbondale, IL to present the reward, but IS member attendance is not required for the sponsorship donation.

iii) Secretary Crinion motioned to approve the $500 sponsorship to ISAC with a second from Past-President Walton. **Motion passed with 14 – aye and 0 – no.**

f) ASCE Principal’s Breakfast – John Lazzara

i) Region 3 Governor Lazzara presented an opportunity from ASCE National to host a Best Practices Breakfast for leaders within our organization. The program is a benefit that ASCE National provides to assist leaders in identifying needs and available resources for the Illinois Section.

ii) A similar type of leadership training event has previously been hosted for IDOT and Tollway leadership.

iii) Region 3 Governor Lazzara offered to host and coordinate the training on behalf of ISACE. Past President Walton volunteered to assist with planning.

g) Deteriorated Railroad Bridge / Society Discussion – Sandra Homola

i) Recently a photo of a deteriorated bridge has been circulating on social media which elicited concerns from an ASCE member in New York over the structural integrity of the bridge. (See attachment 6g.) The social media post originally reported the photo as a bridge in Georgia and appeared to show a deteriorated concrete pier carrying live railroad traffic.

ii) President Homola noted that ISASCE member Karen Kabbes alerted ASCE leadership that the photo was actually of a bridge over the Rock River in Illinois. The Illinois Commerce Commission Rail Safety Program Administrator was contacted and responded promptly that the track had been removed from the old bridge structure in the photo, and that the last inspection of the track on the active bridge did not identify defects or violations.

(1) Follow-up email correspondence from ASCE Executive Director Tom Smith emphasized that as ASCE members, we should be proactive, not reactive to social media posts – especially when it concerns public safety.

(2) President Homola encourages members to bring questionable or concerning infrastructure posts to the board’s attention so that the Illinois Section can keep the public correctly informed.

7) Institute/Group Reports

Technical Institutes and Group reports covering past, present, and future activities:

a) Construction Institute (CI) – Report submitted. (See attachment 7a)

i) Secretary Crinion presented the CI report in the absence of Chair Kowalski.

b) Environmental & Water Resources Institute (EWRI) – Report submitted. (See attachment 7b)
i) Chair Wilk reported that the 2-day training course on HEC-RAS basics was a success with 21 seminar attendees. EWRI is considering offering an advanced HEC-RAS training in Fall 2023.

ii) Chair Wilk inquired how other IS institutes and groups handled mid-year board member changes. President Homola noted this has occurred in the past when board members have relocated, and she will follow up with EWRI for more discussion and support.

c) Geo-Institute (GI) – No report submitted.

d) Structural Engineering Institute (SEI) – Report submitted. (See attachment 7d)

i) SEI has transition from dinner to luncheon technical meetings and recently had a very successful February Luncheon presentation with 50+ members in attendance.

ii) Chair Knipp noted that SEI is in the early stages of planning for the next SEI-IL Lecture Series to be held in September/October 2023.

e) Transportation & Development Institute (T&D) – Report submitted. (See attachment 7e)

i) Chair Miczek noted that registration is now open for the March luncheon featuring Jose Rios, IDOT Region 1 Engineer. He encourages members to sign up now as the event may reach capacity and registration closes Friday, March 10th.

f) Utility Engineering and Surveying Institute (UESI) – Report submitted. (See attachment 7f)

i) Chair Reins confirmed that the UESI bank account is now set up. The new institute looks forward to co-hosting its inaugural events with T&D in May 2023 and CI in June 2023.

g) Younger Member Group (YMG) – Report submitted. (See attachment 7a)

i) Jeremy Metz presented on behalf of Chair Gazdzika. In March, YMG is looking forward to a March Madness Happy Hour with fellow members and hosting University of Michigan ASCE Student Members on a planned visit to Chicago. The student members will visit several downtown Chicago engineering firms while in town.

ii) YMG is looking to revamp the PE Review course. They would like to get in touch with former Review Course organizer, Hussam Alkhathib. Please reach out to Jeremy Metz (jmetz@cmtengr.com) or Chair Gazdzika if you can connect YMG with Hussam.

8) Standing Committee Reports

Standing Committees reports covering past, present, and future activities:

a) President-Elect/Spring Dinner (Matt Huffman) – Report covered under New Business. (See attachment 6c)

b) Student Outreach (Natasha Breslieva) – Report submitted. (See attachment 8b)

c) Communications & Website (Jeana Gowin) – No Report submitted.

i) Spring Newsletter anticipated to be released on March 15th.

e) Government Relations (Matt Kirby) – No Report submitted.

f) Membership (Tom Borges) – Report submitted. (See attachment 8f)

i) President-Elect Huffman presented on behalf of Chair Borges. He noted that ISASCE dues-paying membership levels are near pandemic levels.

g) Annual Dinner (Irsilia Colletti) – No Report submitted.
h) Awards (Tina Revzin) – Report submitted. (See attachment 8h)
   i) Chair Revzin and Annual Dinner Chair Colletti have been in coordination with a tentative
date of October 5, 2023 for the ISASCE Annual Dinner.
   ii) With the annual dinner proposed for early in October, Chair Revzin inquired if a virtual
ISASCE board meeting could be held in July to approve the 2023 Award Winners. More will
be discussed at the next ISASCE board meeting.

i) Sustainability (Elizabeth Karlovics) – Report submitted. (See attachment 8i)
   i) Chair Karlovics noted that the first committee meeting was held in February with the next
meeting scheduled for April 4th.

j) EWB (Liz Jensen) – No Report submitted.
   i) Chair Jensen would like to transition leadership of the Engineers Without Boarders
committee. She will follow-up with President Homola and the IS executive board for
assistance in the transition.

k) Finance (Thomas Janicke) – No report submitted.

l) Special Events (Sandra Homola) – No report submitted.

m) Report Card (Brian Pawula / Sandra Homola) – No report submitted.

9) Past President Walton made a motion to adjourn the meeting with a second from Secretary Crinion.
   President Homola adjourned the meeting at 6:57 pm.

The next meeting will be held at 5:30 PM on Monday, April 3, 2023, via MS Teams (virtual meeting) and
in-person at: EXP Office, 205 N. Michigan Ave., Suite 3600, Chicago, IL 60601 (physical meeting location).

AGENDA ITEM #4 – NEW BUSINESS (Guests)

SUPPORTING DOCUMENTATION
Mission Statement

The Illinois Tech Student Chapter promotes civil engineering on the university level as a global profession that aims to build a better world by design.

We strive to do this through establishing a strong community among engineering students via social events, professional development from site tours and professional outreach, and our yearly participation in Civil Engineering Competitions.

Chapter Activities

- Annual ASCE Mentorship Program
- Annual CAEE Career Fair
- CAEE Welcome Back Bash

- Weekly Speaker Events
- Western Great Lakes Symposium 2022
- ASCE National Convention 2022

- YMG Firm Crawl
- Highschool Outreach
- End of the Year Banquet
ASCE Weekly Chapter Events

ASCE-IIT’s Executive Board plan 16 chapter events per semester. These meetings have a wide range of teachings and purposes, including but not limited to:

- Concrete Canoe and Steel Bridge Captains teaching about WGL competitions
- Guest Speakers from professionals in the field
- Student mixer socializing events

CAEE Welcome Back Bash

ASCE led the largest social event in CAEE history. Alongside AREMA, ASHRAE, CMAA, EWB, SEAOI, and SEES student chapters, ASCE hosted a BBQ, volleyball, and cornhole social. Over 200 people attended this welcome back event to kick start the Fall 2022 semester.
ASCE-IIT welcomed another successful year for the Mentorship Program. Some highlights from the 12 mentor-mentee pairings and this program in 2022 were:

- Meet & Greet Picnic
- Resume Workshop
- Canoe Paddling Practice

For the first time, in collaboration with the ASCE YMG, ASCE-IIT helped coordinate a day tour of 6 major engineering firms alongside the UIC and Northwestern chapters. This “firm crawl” provided members an opportunity to network with professionals, visit their offices, and meet students from other chapters.

Firm Crawl Companies:
1. Milhouse
2. Sam Schwartz
3. TranSystems
4. Jacobs
5. HNTB
6. Crawford, Murphy, & Tilly
In 2022, ASCE led the planning for the 8th Annual CAEE Career Fair. With 8 student organizations, the CAE department, and IIT Career Services, ASCE-IIT welcomed 35 registered companies and over 80 student attendees. This marks the largest fair in chapter history.

Many of the company representatives were ASCE-IIT alumni and ASCE-IL representatives.
ASCE-IIT was able to send 11 of our chapter members to the ASCE National Convention in Anaheim, California during October 2022. Each member attended the YMG networking events, technical presentations, and explored Anaheim together (Disneyland and Universal Studios). Phil was able to join our chapter in all our adventures.

Western Great Lakes Symposium 2022

ASCE-IIT competed in:

- Concrete Canoe

2 of 6 IL Section ASCE 2023 President-Elect / Student Scholarship Dinner
IL Section ASCE 2023 President-Elect / Student Scholarship Dinner

**TERMS AND CONDITIONS**

1. **SALES MINIMUM:**
   a. The sales minimum for the Function is $3,000.00 (the "Minimum"), and does not include tax or 20% event fee. The 20% event fee is an administrative fee retained entirely by Maggiano’s for the set up and administration expenses related to hosting your Function. The event fee is not a tip and is not distributed to servers, bartenders or other service employees working your Function. The employees working your Function are non-tipped employees, and are compensated at a higher hourly wage. Tipping is not required and is at your discretion. Client agrees it is fully responsible for the Minimum and all charges incurred above the Minimum. If the Minimum is not met, the difference will be charged as the "Room Rental".
   b. Separate Minimums shall be applied for each meal period. Should Client need to extend their Function beyond the designated End Time listed above, Client must request such extension from Maggiano’s prior to the End Time of the Function. Based on room availability, Maggiano’s, in their sole discretion, may or may not be able to accommodate such request. Maggiano’s reserves the right to charge an overage fee for Functions which extend beyond their End Time.

2. **GUEST COUNT:**
   The Final Guest Count (Agr.) is guaranteed by Client and must be received by Maggiano’s via phone, fax or email three (3) business days prior to the commencement of the Function. Otherwise, the guest count listed on this Contract will be final and not subject to change. Maggiano’s cannot be responsible for the services to more than ten percent (10%) over the Final Guest Count above without prior consent of management, and Maggiano’s reserves the right to charge a fee in its discretion for any overage from the Final Guest Count.

3. **DEPOSITS/CANCELLATIONS:**
   The deposit required to secure the Function is $1,500.00 due with this signed Banquet Function Contract (the "Contract") on 2/8/2023. All deposits are non-refundable. The Client will be charged the Minimum, tax and event fee, if a cancellation is received within seven (7) days of the Function.

4. **MENU/BANQUET EVENT ORDER:**
   Final menu and Function details are due 3/14/2023 or no later than 4 weeks prior to your event date. A Banquet Event Order ("BEO") will be generated and forwarded to Client for signature. Published menu prices are subject to an annual increase of up to 10% per year. The BEO must be signed upon receipt and returned to the Banquet Sales Office prior to the function date to confirm all menu selections and event details.

5. **PAYMENT:**
   Final payment is due in no event later than the conclusion of the Function. Prices do not include any applicable sales tax (on Function date), government imposed surcharges or 20% event fee. Proof of valid tax exempt status must be on file prior to the Function. A Credit Card Authorization Form must be on file and the amount due and owing at the conclusion of Function will be charged to it if other payment is not made. If cancellation is received within seven (7) days of the Function, the full amount of the Minimum, tax and event fee will be charged to the credit card on file. If Client is unable to provide a Credit Card Authorization Form, then Client must pay the estimated charges (based on the Minimum, plus tax and event fee) no later than fourteen (14) days prior to the Function, and any additional charges incurred during the Function must be paid by Client at the conclusion of the Function. If glitter/confetti is used during the Function, there will be a $150 clean up fee per room included to the final billing. Acceptable methods of final payment are cash, credit cards, gift cards, gift certificates, or other gift coupons. The aggregate amount of gift cards, gift certificates or other gift coupons permitted toward final payment may not exceed $1,000.00.

6. **FORCE MAJEURE:**
   Performance of this Contract by Maggiano’s and/or Client shall be excused if such performance is prevented or impaired due to circumstances beyond their control, including fire, flood, earthquake, utility outages, elements of nature or acts of God, riots, civil disorders, strikes, lockouts, or labor differences or acts of terrorism, federal, state or local government requisitions, Covid-19, restrictions upon travel, transportation, food, beverages, or supplies. In no event shall Maggiano’s and/or Client be responsible for loss of profit or other collateral or consequential damages. The responsibility of Maggiano’s will be limited to refunding all deposits or crediting the Client’s house account for a future function.
7. INDEMNIFICATION:

a. Maggiano’s will not be liable for damage to, or loss of any merchandise displayed or left anywhere on the Premises. Maggiano’s and/or Client (in such capacity, an “indemnifying party”) agrees to indemnify, defend and hold harmless the other, and its partners, directors, officers, employees, agents and representatives (collectively, “indemnified parties”), from and against all claims, causes of action, liabilities, losses, damages and expenses, including reasonable attorneys’ fees suffered or incurred by an indemified party as a result of (a) bodily injury, death, or damage to tangible personal property, to the extent caused in whole or in part, by the negligence or willful misconduct of an indemnifying party or any of its guests, employees, agents or representatives, including contractors and suppliers engaged by it, in connection with the Function, or (b) any violation of applicable law, rule, regulation or ordinance by the indemnifying party or any of its employees, agents or representatives, including contractors and suppliers engaged by it.

b. No entertainment, food or beverages of any kind will be permitted to be brought into Maggiano’s by the Client or his/her guests or invitees without the prior written consent of Maggiano’s. Failure to secure prior written consent of Maggiano’s can result in denying access or cancellation of Function. As a condition to bringing any outside food or beverages onto the Premises, Client agrees to sign Maggiano’s standard Indemnification Agreement for Third Party Food & Beverage, prior to the Function.

d. Audiovisual Equipment: The Banquet Department will arrange for the rental of the audiovisual equipment which the Client may require for meetings or program activities. All additional costs for equipment are Client’s sole responsibility. The Banquet Department must be notified of the requirements at least 72 hours in advance of the Function. Maggiano’s cannot be responsible for the storage of the audiovisual equipment brought in by the Client.

e. Maggiano’s will not be responsible for packages sent to the Premises for use at a Function, unless such packages are delivered to the Premises, at the address set forth above, not more than three (3) working days prior to the Function date, and are properly labeled to include the following:

f. This Contract is made in the State where the Premises are located, and shall be construed and enforced in accordance with the laws of such state. This Contract together with the Banquet Event Order constitutes the entire agreement between the parties and may not be modified or amended except by an instrument in writing signed by both the Client and Maggiano’s.

g. If any provision of this Contract shall be contrary to the laws or jurisdiction in which the same shall be sought to be enforced, the illegality or unenforceability of any such provision shall not affect the other terms, covenants, terms or conditions hereof, and the remainder of this Contract, or the application of such illegal or unenforceable term or provision to persons or circumstances other than those as to which this Contract is held to be illegal or unenforceable, shall not be affected thereby and each term and provision of this Contract shall be valid and enforced to fullest extent permitted by law.

h. Any modifications to this form Contract sent to Client from Maggiano’s shall be invalid and of no force and effect without a mutually agreed upon fully signed amendment to this Contract.

i. In order for a Client to receive Lettuce Entertain You Frequent Dinner Points for a function, the following criteria must be met: (1) the Client must be a current and active member of the Frequent Diner Program at the time the Contract is executed; (2) the Client’s name must appear on the Contract for the corporate/social function; (3) payment for the corporate/social function must be made in full on the day of the function by the Client in cash or by credit card in his/her name in order to receive Frequent Diner Points; (4) the name of the person receiving Frequent Diner Points must appear on the contract.
the case of a business event, either the planner or host may receive points. For social events, only the host is eligible to receive points; (5) no discounts or promotions can be used in conjunction with the Frequent Diner Points Program; and (6) Silver Status (3-star) and Gold Status (4-star) Bonus Points do not apply to private functions. (7) Lettuce Entertain You Frequent Dinner Points are only received on functions at our 6 Illinois restaurant and Milwaukee locations on events booked and hosted by April 15, 2023, other locations are not eligible for points. (7) Lettuce Entertain You Frequent Dinner Points are only received on functions at our 6 Illinois restaurants and Milwaukee locations, other locations are not eligible for points.

The undersigned acknowledges that they are a duly authorized signatory of Client, and have read, understand and accept this Contract and all stipulations, and agree to comply with same.

Dear Ms. Harbaugh,
The Illinois Junior Academy of Science (IJAS) exists for the benefit of students in Illinois through discovery and hands-on research. Students are challenged to identify problems, complete background research, develop methods of investigation, collect & analyze data or develop and
improve prototypes, before drawing objective and evidence-based conclusions. Student researchers then communicate their findings in a written report which they present to judges at local and/or regional science fairs. The top competitors from each region then have the opportunity to compete at the Illinois Junior Academy of Science State Exposition. This process encourages students with interests in science, technology, engineering, and math to explore their areas of interest, and potentially, consider careers in STEM and other related fields where problem-solving, objectivity, and communication skills are crucial.

This year, IJAS is fortunate to be hosting the 96th Annual State Exposition at Southern Illinois University in Carbondale on April 28-29. Past fairs, hosted at various locations throughout Illinois, have been met with great success for both the students and their host communities. We expect approximately 1,400 students to attend this year’s exposition along with their parents, families, and teachers.

As a 501(c)(3) not-for-profit organization, IJAS is currently seeking sponsors to help make this year’s State Exposition the best yet. Our goal to fully fund this year’s event can be met by raising a total of $45,000.

We would like to invite The Illinois Section of ASCE to become one of our special award sponsors in the category of Engineering. In recognition of your $500 gift Illinois Section - ASCE’s name and logo will be included in our event program, projected during the student pizza party and awards ceremony, listed in the press releases, and published on the IJAS website and t-shirt. The special award may be chosen by one of your members/employees or one of our representatives, your logo would appear on the certificate, and the student chosen would receive a $100 award.

The IJAS Board, our aspiring scientists of tomorrow, and I would like to thank you in advance for your generosity and support. Please do not hesitate to contact me directly at 309.361.1046 or at emily.dawson77@gmail.com if you have any questions.

Sincerely,
Emily Dawson

The mission of the Illinois Junior Academy is to present science as a rational observation and systematic investigation of natural phenomena; to stress the importance of critical thinking and logical reasoning; and to encourage students to view and utilize science, technology, and engineering as an interdisciplinary study applicable to society and its interactions with the environment.
Thank you Shahin, I did not know about your background and experience with bridge inspections and am always amazed by the breadth and depth of ASCE’s members. Attached is another update from Rail Safety Program Administrator Brian Vercuysse.

Sandy, thank you for your note as well. I think one message for ASCE’s members is to (i) be proactive and not reactive, especially when it comes to safety, and (ii) recognize that ASCE is fortunate to have an extensive network of connected civil engineering experts across the world, allowing us to quickly discern the facts, which is a valuable resource particularly with much of the content posted on social media these days. Following up on Shahin’s other point about networks of infrastructure specialists, I think we’ll need to consider whether there are additional technical communities we should form within the Institutes, Sections, committees, etc., or perhaps within the ASCE online Collaborate community. Indeed, if Karen had not led us to the answer so quickly, I was thinking we could post the question in the ASCE Collaborate forums on Integrated Buildings and Structures, and Horizontal/Subsurface Infrastructure & Transportation.

Thanks and best regards,

Tom

Thank you Tom. I myself have been inspecting bridges for the last 21 years in NY, and am the current QC Engineer for our NYSDOT bridge inspection program. I intend to raise this question with the DOT leadership in our upcoming Bridge Inspector’s Meeting in March. They too have seen an uptick of reports from local citizens. At CDM Smith we also have bridge inspection practices in several states, but nothing in Georgia or the western states. DOT and ASCE partnerships can be beneficial for the profession and travelling public.

Thanks Again!

Hi Shahin,

We appreciate your raising this issue, particularly since ASCE prioritizes public health, safety and welfare, and it is better to proactively inquire and question than to assume everything is fine, only to react later when there is a failure.

I believe many bridge inspections are the responsibility of state DOTs, and I’m sure Maria, Marsha and Karen know more about this since they have worked in the transportation sector, and Maria’s husband Carl is also a bridge inspector. We are making great progress with our new DOT Partners program, and hope eventually to have all state DOT’s participate, which will further enhance our DOT connections. We also have a close connection with AASHTO, including its President Roger Millar, who is a past ASCE director and current ASCE T&DI President. Our Committee on America’s Infrastructure, which is working on the next ASCE Infrastructure Report Card, also has experts evaluating report card criteria and data in a variety of infrastructure categories, including bridges, and your thoughts can be further shared there I’m sure. Others copied here may have more ideas.

Thanks again and best regards,

Tom

Tom, Mariah, Marsha: thank you so much for looking into this. I think both Bill and myself are relieved that there is no imminent danger of collapse and ensuing disaster from this bridge. Quite frankly (speaking for myself) I have a bit of egg on my face for reacting to this photo and I apologize for getting so many people involved and not rooting out the source of the photo. Lesson learned! On the other hand I love and appreciate this organization for being so supportive.

I do want to explore and idea, if I may, to create a network of infrastructure specialist, maybe with connections to bridge officials in each state or locality, where such reports may be vetted verified? Maybe an infrastructure sub-committee? Just thinking out loud.

Chicago Architecture Center Engineering Week E-Fest
- Held on 2/25/2023 at the Chicago Architecture Center
- YMG contributed 7 volunteers

This Month’s Activities:

Lunch Webinar for PDHs
- To be held virtually on 3/15/2023
- *Engineer Your Own Success: 7 Key Elements to Creating an Extraordinary Engineer Career* (ASCE Society Webinar)

March Madness Happy Hour
- To be held on 3/23/2023 at High Line bar
- Participants are encouraged to wear college gear to support their school, even if their team didn’t make or is out of the NCAA Tournament

University of Michigan Student Chapter Visit
- The U of M ASCE Student Chapter has a visit planned to Chicago on 3/24/2023
- We have organized tours/presentations at a few firms, similar to our Firm Crawl last fall

Student Outreach Event
- Targeting 3/31/2023 for Bowling Event at UIC. More details to follow.

PE Review Course Update
- We are working to make this course more sustainable moving forward
- Old format: Organized and presented entirely by Hussam Alkhatib (former YMG Director of PE Review)
- New format: Organized by YMG, presented by one volunteer from each institute (i.e. the transportation session would be presented by someone from the T&DI)

**Assistance needed:** Does anyone have a good relationship / line of communication with Hussam? Our past attempts at reaching out and making contact have not been consistently responded to
- Our ultimate goal is to build upon the strong foundation that Hussam established during his many years running this course

Future Activities:

Dinner/Lunch Meetings
- LinkedIn Tips and Tricks
- A geotechnical engineering presentation by Rubino Engineering, Inc.
