

NTU CEE Alumni Association (NCEEA) Seminar 2025

My Solution - PPE 2024

Seminar Plan: My Solution - PPE 2024

Objective:

To provide a collaborative platform for alumni and friends to share their PPE exam experiences, recall exam questions, discuss solution approaches, and exchange effective exam techniques. The seminar encourages diverse perspectives with no “right or wrong” answers and focuses on time management and concise problem solving.

1. Seminar Details

- Title: My Solution - PPE 2024
- Date: 26 July 2025 (Saturday)

2. Agenda

Time	Activity
3:30 PM – 3:45 PM	Welcome & Introduction
3:45 PM – 5:15 PM	Alumni Presentations (3 presenters)
5:15 PM – 5:30 PM	Group Discussion & Wrap-Up

3. Format and Guidelines

- Bring Materials: Attendees are encouraged to bring lecture notes, textbooks, exam notes, or any relevant materials to assist in solving questions during presentations.
- Presentation Time: Each presenter has 20 minutes total to present and discuss 1 to 3 PPE questions:
 - Recall the exam questions as best as possible.
 - Present their solution of the questions during the exam.
 - The additional thought after exam.
 - Share exam techniques (time management, prioritization, stress handling, preparation and material).
 - Commented by more experienced engineers.
- No right or wrong answers: Encourage diverse perspectives.
- Q&A: Short Q&A after each presentation (~5 min).
- Engagement: Active listening, note-taking, and open discussion encouraged.

4. Logistics and Support

- Light refreshments will be provided
