

## Dan McGrew

Vice President, Strategic Policy and Performance

Dan McGrew has devoted more than 20 years to helping others achieve their education and career goals. Dan currently serves as the Vice President, Strategic Policy and Performance, for CareerSource Florida. In this role, Dan is responsible for developing and deploying the strategic policy and performance initiatives of the Governor's principal workforce policy board for the state of Florida. Prior to CareerSource Florida, he served as Regional Director for Dynamic Workforce Solutions, a workforce services provider, where he led the operations and delivery of workforce contracts with CareerSource Capital Region, CareerSource North Central Florida, CareerSource Pinellas, and CareerSource Tampa Bay. His previous experience includes College Director of ITT Technical Institute in Tallahassee, Florida, at which he was responsible for all campus operations, successfully sought and received state approval to launch a Registered Nurse degree program and oversaw the first graduation in the local campus history. Dan also enjoyed a 12-year career with Kaplan, Inc., where he served in a number of roles from field operations management to corporate marketing and operations in Boston, New York City, Dallas and Chicago before returning home to Florida in 2009. Dan earned a Bachelor of Science degree in Biological Sciences, Cum Laude from Florida State University and remains dedicated to the Tallahassee community, serving on the Board of Directors for the Foundation for Leon County Schools, the Board of Governors for Leadership Tallahassee, the steering committee for Leon County's Best and Brightest, and as a member of the Leon County Sheriff's Advisory Council. Dan is a proud graduate of Leadership Tallahassee Class 31 and has served as the Curriculum Chair for Youth Leadership Tallahassee Class 13 and Leadership Tallahassee Class 37. He and his wife Jessica are both Florida natives and they have 4 children.
