

[www.lia.org](http://www.lia.org)

Where innovation meets impact, since 1968.

## About Us

- **Founded:** 1968 by industry pioneers, including Dr. Arthur L. Schawlow and Dr. Theodore H. Maiman
- **Mission:** To promote the use of lasers and laser safety through education, publications, conferences, and workshops
- **Global Headquarters – Orlando, Florida, USA**
  - [www.lia.org](http://www.lia.org)
  - [lia@lia.org](mailto:lia@lia.org)
  - FPC Rep: [soleson@lia.org](mailto:soleson@lia.org)

## Key Products & Services

- **Symposia:** Laser Applications & Optics (ICALEO), Laser Additive Manufacturing (LAM), Industrial Laser Applications (ILC), & Laser Safety (ILSC)
- **Services, Products & Resources:** Membership, Industry Publications, Journal of Laser Applications (JLA), Laser Safety Standards, Laser Safety Hazard Calculation, & Laser Safety Training
- **Industries Represented:** Manufacturing, Medical, Defense, Agriculture, Education, & Research and Development

## Our Commitment

- Guided by our diverse membership community, we strive to be the premier platform for collaboration—advancing lasers, laser applications, and laser safety. We unite a global network of end-users, innovators, problem-solvers, and leaders to drive progress, share knowledge, and create meaningful impact.
