Thank you for your interest in supporting the Made in Central Florida Expo!

ABOUT THE EXPO

Discover the power and future of manufacturing right here in Central Florida. This interactive expo brings together middle and high school students with local industry leaders to explore exciting career pathways in manufacturing.

ATTENDEES WILL :

- **Explore Florida's Manufacturing Landscape** – Gain insight into the current health of key manufacturing sectors and the challenges shaping their future.
- **Connect with Industry Leaders** – Engage in meaningful conversations between educators, students, and public and private sector partners.
- **Experience Careers in Action** – Meet exhibitors showcasing real-world manufacturing careers, technologies, and opportunities.
- **Build Pathways for the Future** – Identify actionable ways to strengthen Central Florida's manufacturing workforce and inspire the next generation to pursue these high-demand careers.

This expo is designed to spark curiosity, build connections, and empower students to envision a future in manufacturing.

THANK YOU TO OUR SPONSORS !
