Dear Friends,

I am pleased to present the 2013 Annual Report on behalf of the Board of Trustees of the FRPA Foundation, who continue to have as their priority reinvesting in the parks and recreation professional and the profession.

The Foundation had a presence at the Annual FRPA Conference near the registration area and in the exhibit hall. Volunteers worked on behalf of the Foundation to assist with networking with conference delegates in a fun environment.

This year, the Foundation changed the format of our Annual Auction, and offered a silent auction held in the Exhibit Hall. Vendors in the Exhibit Hall donated items held at their booth until the auction was over. The new format allowed us to engage the vendors with interested bidders, and engaged conference participants with the vendors.

Funds generated through donations and the auction provided the opportunity to again support the priorities of the FRPA. In an effort to maximize the funds available, the Foundation funding directly reached the largest education gatherings of professionals: The Joe Abrahams Academy for Leadership Excellence, the Emerging Leaders Institute, and the Annual FRPA Conference closing session speaker.

This year, the FRPA Foundation received a matching gift from Dr. Cheryl Beeler, who challenged the Trustees to raise the match in new donations. We are pleased to report that the match was met. We say a special thank you to the individual who created the match, and to those who responded when asked and became new donors of the Foundation.

The financial health of the Foundation remains sound as evidenced in the financial report. Additional investments were made to the Foundation Endowment Account.

I invite you to celebrate the success of this past year, and join with us to ensure that the Foundation remains strong.

Sincerely,

Kristin Caborn, CPRE
President
