Submission Guidelines

The Florida Recreation and Park Association *FRPA Journal*, a quarterly publication, is distributed to parks and recreation professionals across the State of Florida. The objective of the publication is to serve as a resource for individuals working in or interested in the parks and recreation field.

The Association seeks articles that will stimulate thought processes and dialogue, or communicate current trends in the industry.

The FRPA Editorial Board reserves the right to edit articles as necessary for content, space, etc.

Articles should be 750-1200 words. If you have a lengthier version of the article which would like to be considered for website publishing, please submit both the printed and the website articles.
