Dear AHF Member:

We are pleased to present the 2019 Conference edition of the AHF Business Partner Directory!

This is a Directory of all AHF Business Partners that have committed to 2019 year-long sponsorships, Bronze level and above and exhibitors at our Annual Conference.

The Business Partner Directory is searchable by product line category, as well as by Business Partner name. Those exhibiting in the trade show are also identified by their booth number. **NEW** with this edition is the name for each Business Partner’s point of contact, their email address and company website.

The intent of our Business Partner Directory is two-fold:

1. **Make life easier for AHF Members.** This Directory outlines products, services, and equipment offered by our Business Partner members. AHF’s Business Partners include some of the most innovative, competitive and trusted companies in the world. These are people and companies that allow us, self-operated facilities, to do our very best work.

2. **Support the companies that support AHF.** We encourage all Operator Members to review this Business Partner Directory and utilize this resource as a guide when you’re considering your purchases for your facility. AHF Business Partners have made sizeable investments in AHF and they appreciate your year-long support.

Thank you for your support and commitment to AHF—we are a volunteer-run organization that depends on its amazing members to realize our mission of supporting the self-operated healthcare industry.

We invite you to thank AHF Business Partners by reaching out to the companies in this Directory! Enjoy the conference.

Sincerely,

Martha Rardin
AHF President

Cyndi Roberts

MY DRINK  
& ONLY MY DRINK

Treat your team to the pure taste of FLAVIA®.

No one wants to share the taste of other people’s drinks at work. With other single-serve brewers, all the drinks flow through the same funnel, leaving sticky residue and used grinds that cross over to your drink. So your drink can taste a bit ‘off’.

FLAVIA® brewers use a unique Freshpack system that brews your drink direct from the pack straight into your cup. No taste transfer, no contact. So you get a pure brew made just for you. Happy team. Happy day!

From planned renovations to unplanned disasters, foodservice operators must continue cooking and serving without interruptions. Mobile and modular facilities from Kitchens To Go® mirror existing commercial production facilities with state-of-the-art equipment, functionality, and design – ensuring business continuity.

When planned from the start, projects that utilize Kitchens To Go® never experience a lapse in service.

VENT LESS COOKING
MAXIMIZE PRODUCTION. REDUCE COSTS.

Kitchen spaces are shrinking, and in some operations, nonexistent. As costs continue to rise, operators now have to do more with less, working to save money on building costs, monthly rent, labor and overhead.

With up to four ovens in one, ventless countertop models are ideal where space is at a premium and operators require quality, high-volume food production in a small space.

We make the world cleaner, safer and healthier.
We provide cleaning and sanitation solutions for food safety, infection prevention and public health.

We serve restaurants, hotels, hospitals, supermarkets, food and beverage manufacturers and many other businesses that enhance quality of life for people around the world.

By partnering with our customers everywhere they need us, we help keep their operations clean and safe, ensure their businesses perform well and enable them to make the world better.

Why do we do what we do? To provide you with food equipment you can trust to work hard and deliver quality, consistent results day in and day out, empowering you to focus on what you love most—creating great food for great people.
Gordon Food Service® partners throughout the continuum of care, including senior living, hospitals and more, providing quality food choices, nutrition and regulatory guidance, and operational expertise. We also offer a Clear Choice® program, providing transparency about label claims, sourcing and sustainability on products important to your guests. Together, we’ll help you make dining experiences stand out.

With delicious choices you can help people feel right at home

Be a Foodservice Operation HERO!  
As the leader in HERO (Hospitality Enterprise Resource Optimization), Comptrition is committed to providing intelligent solutions to advance your overall foodservice operation with our pillars of automation to achieve:  

Operational Efficiency  
Risk Reduction  
Human Satisfaction  
Budget Protection  

Use Tray InMotion with Wristband Scanning to catapult your foodservice operation into HERO status!  
• Safeguard patients from receiving food that can cause an adverse effect or allergic reaction with the scan of the wristband  
• Satisfy patients by ensuring trays are delivered on time  
• Prevent incurred costs due to empty operating rooms and rescheduled tests caused by NPO patients fed an inappropriate meal  
• Improve the meal delivery process and staff performance by identifying delays in tray transit  

Visit Comptrition at the AHF Conference (Booth #933/935), to see the Wristband Scanning feature in action!

Hospital retail managers are taking dining and convenience to the next level. Their fresh ideas to generate revenue and streamline back-office operations often incorporate trending technologies like mobile payments and kiosk ordering.

CBORD® provides a centralized, cloud-based platform to support ideas like these within a cashless card system. Core features include mobile food ordering, virtual card payment, account management, and a full loyalty program. Our partnership with Oracle Hospitality® provides seamless point-of-sale hardware integration with a wide range of options including registers, mobile tablets, and self-serve kiosks.

CBORD technology is designed for the world of “There’s an app for that!” We’re ready to put your new ideas into action.

### The Value of an AHF Membership

- **WEBINARS**
  - Members may take advantage of at least six free webinars per year that include free CEU’s.
  - **$400**

- **BENCHMARKING**
  - Free access to AHF Benchmarking EXPRESS™ - compare your facility’s performance to similar facilities across the United States.
  - **$800**

- **S.O. CONNECTED**
  - Published quarterly, S.O. Connected magazine features the latest industry news and insights.
  - **$100**

- **MEMBER COMMUNITY**
  - The collective knowledge of 700+ members available at your fingertips 24-hours a day!
  - **PRICELESS**

- **MENTOR MODULE**
  - Become a mentor or mentee to a fellow AHF member. Harness the full power of membership to step up to the next level of your career or to keep self-op healthcare foodservice strong for the rising generation.
  - **$350**

- **MEMBER DIRECTORY**
  - Contact information on all current AHF members, available on the Association’s website 24 hours a day, 7 days a week.
  - **$600**

- **LEADERSHIP COMPETENCY TOOLS**
  - Includes 10 successful strategies to support leadership growth and professional development and eliminates the need to purchase similar tools.
  - **$300**

- **SELF-OP RESOURCES, E-LIBRARY & BUSINESS PARTNER DIRECTORY (NEW!)**
  - Professionally-produced publications on the self-operated healthcare foodservice industry in addition to the most relevant and up to date resources available free-of-charge. Connect with our industry leading business partners for first-rate services.
  - **$750**

- **TENACITY**
  - Become an intrapreneur and keep your clients for life! A discounted fee is offered for AHF members to learn the Clients for Life® Client Retention Process from Tenacity. When the course is completed members will receive an AHF-branded Tenacity digital badge.
  - **$895**

### Annual Membership Value

**$4,195**
