## THE DE DIFFERENCE

We're not a vendor offering your organization "check-the-box" solutions; we're an extension of your team with a straightforward mission: to provide you with simple solutions to your complex compliance, regulatory, and recruitment challenges. When we say it's all about our Members' needs, we mean it.

All-inclusive membership benefits including unlimited job listings, user access, and training

Member-exclusive community for private discussions, resources, surveys, webinars and more

Long-standing partnership with the National Association of State Workforce Agencies (NASWA) through 2027

Practical solutions to your toughest challenges from HR practitioners and employment law experts

Networking opportunities with industry peers who represent the world's most recognized brands

No price increase since 2007—Members have a vote in the pricing structure, products, and technology
