

## Temporary Homes for Academics & Scholars

SabbaticalHomes.com is not just for sabbaticals; members at all stages of their careers use our international housing service for their short and longer-term stays. Designed in 2000 to help academics find tenants or furnished homes to rent and exchange, the website is still thriving today. It is an ideal resource for scholars, researchers, and academics.

Whether seeking a reliable, trustworthy tenant for their home while they are away, or looking for a welcoming place to stay, our members find SabbaticalHomes.com makes the housing challenge easier. Being part of our worldwide community of Minds on the Move allows them to focus on their work, research, and passions - and maybe even relax a little too!
