

Technical Group Membership

HFES sponsors 25 Technical Groups (TGs) concerned with the human factors aspects of specific application areas. The activities and areas of interest of the TGs are described below. TGs publish newsletters, sponsor sessions at HFES and other meetings, and provide a useful mechanism for the exchange of technical information.

Nonmembers may use this form to join or renew one or more HFES Technical Groups. Technical group membership dues are for the calendar year.

Please Check Those Groups to Which You Wish To Belong:
