

Raise the Rate! Home Care Can't Wait!

The New Jersey PCA Coalition requests YOUR testimonial to help lawmakers understand how reimbursement rates affect access to personal care assistants and the people who rely on them.

Thank you for participating in this movement to increase the Medicaid PCA reimbursement rate. Please share your story with at info@homecarenj.org by Sunday, March 1. You are welcome to include a photo or video to accompany your testimonial as well.

Optional prompts:

- One thing policymakers should understand about home health is...
- Because of PCA services, I/we are able to...
- If I/we didn't have a home health aide...

May we quote you?

- No, keep me anonymous
- Yes, first name only: _____
- Yes, first name + town: _____

May we follow up to request more information?

- Yes No
