

# NOW MORE 2 LOVE

## INTRODUCING TWO NEW ADDITIONS TO OUR K-12 CEREAL LINEUP

Bring familiar 2 oz. equivalent grain cereals to your school this year—along with two brand new flavors: Blueberry Chex™ and Rice Chex™!

With off-campus style, drink-friendly cups that encourage milk consumption, this cereal sensation gives students the option to take their breakfast to-go. And for schools, one cup that meets 2 grains means only one product for inventory, storage and serving.
