

MONTHLY NEWS

IDUG Db2 Conference in Sydney **September 11–13, 2018**

Last Chance to Register

There's still time to register for this year's IDUG Db2 Tech Conference in Australia. Don't miss your chance to hear the latest in Db2 from a panel of international IBM experts. You will have the opportunity to attend full-day workshops in data science and machine learning, take a complimentary IBM Certification exam, and learn from over 30 technical presentations. Online registration closes on September 9, so hurry to secure your spot!
