About the Speaker

Alan L. Lowell, BC-HIS, ACA

Since their inception in 1977, Alan Lowell Seminars has propelled dispenser education to its pinnacle producing extraordinary training courses for hearing specialist and other medical professionals who desire to become licensed hearing aid specialists or hearing healthcare dispensing professionals.

Their core principals to promote the highest levels of education and knowledge, professionalism, ethics, communication and skill sets have been the driving force behind the company's mission and goal to enable their students to pass their competency exams and/or begin exciting and rewarding careers as exceptional hearing healthcare dispensing professionals.
