ILCA Tools to Help You Learn Lactation Clinical Skills

#bettertogether

Join our RESOURCE MODULE communities.

**Come together with the leading experts in the field.
Share top resources on the topics that matter most to you.**

For Student Members of ILCA, connect with the tools and community you need to support families:

- RESOURCE MODULES including up to 10 free continuing education credits
- Research to keep you up-to-date: *The Journal of Human Lactation*, the #1 ranked lactation journal
- Opportunities to stay connected to the profession with the exclusive, weekly ILCAalert
- Discounts for additional education, publications, annual conference, and more

YOU are welcome at ILCA.

The International Lactation Consultant Association® (ILCA®) is the member association for International Board Certified Lactation Consultants® (IBCLC®) and other healthcare professionals who care for breastfeeding families. IBCLCs, students, retired members, clinical professionals, and all supporters are welcomed members of our community.
