Europe

## 2026 Sponsorship Opportunities

 16-17 NOVEMBER 2026

 1 WIMPOLE STREET  
LONDON, UK

[europe.iltacon.org](https://europe.iltacon.org)

### Europe's premier legal tech event. Designed by tech leaders.

ILTACON Europe returns for its 19th year, continuing its tradition as a peer-driven gathering for leaders across the legal technology community. This year also marks an exciting new chapter as we move from our longtime home at A&O Shearman to 1 Wimpole Street, providing a fresh setting for connection, collaboration, and conversation.

Following last year's condensed single-day program, ILTACON Europe is expanding once again to two days of content, with two concurrent tracks running each day. The agenda—curated by your peers—focuses on the themes the legal industry is actively grappling with, from emerging technologies and innovation to leadership and strategy within modern law firms.

Attendees can expect high-quality education, thoughtful discussions led by industry experts, and meaningful opportunities to connect with peers throughout the event.

As always, ILTA is peer-powered and not-for-profit, dedicated to giving legal professionals the connections, insights, and ideas that help move our firms—and our industry—forward.
