

COVID-19 Liability Release Waiver

The World Health Organization has declared the novel Coronavirus (COVID-19) a worldwide pandemic. Due to its capacity to transmit from person-to-person, relevant governmental authorities have set recommendations, guidelines, and some prohibitions ("regulations") to encourage and protect the health and safety of the public. The International Legal Technology Association (the "Organization") intends to comply with such regulations, and expects the same of its conference attendees. Despite this adherence to these regulations, it is still possible for COVID-19 to transmit person-to-person.

In consideration of my participation in the ILTACON conference in August 2021, the undersigned acknowledges and agrees to the following:

I Agree

I am aware of the existence of the risk associated with my travel to and from the venue, my physical appearance at the venue, and my participation in the activity(ies) of the Organization that may cause injury or illness from COVID-19 that may lead to serious short and long term health consequences, and even death.

I Agree

I am fully and personally responsible for my own safety and actions during my participation in the activity(ies) of the Organization and I recognize that I may be in at risk of contracting COVID-19.

I Agree

I participate in travel on a voluntary basis.

I Agree

With full knowledge of the risks involved, I hereby release, waive, and discharge the Organization, its board, officers, independent contractors, affiliates, employees, representatives, successors, and assigns (collectively "the Indemnitees") from any and all liabilities, claims, demands, actions, and causes of action whatsoever ("Claims"), directly or indirectly arising out of or related to any loss, damage, injury, or death, that may be sustained by me related to COVID-19 while participating in any activity while in, on, or around the venue, while traveling to/from the venue, or while using the facilities at the venue that may lead to unintentional exposure or harm due to COVID-19.

I Agree
