I am able to acquire accurate and relevant histories from my patients in an efficient, prioritized and hypothesis driven fashion.

Strongly Disagree   Disagree   Neutral   Agree   Strongly Agree  
           

I am able to seek and obtain appropriate, verified, and prioritized data from secondary sources (e.g. family, records and pharmacy)

Strongly Disagree   Disagree   Neutral   Agree   Strongly Agree  
           

I am able to perform accurate physical examinations that are appropriately targeted to the patient's complaints.

Strongly Disagree   Disagree   Neutral   Agree   Strongly Agree  
           

I am able to synthesize all available data, including interview, physical exam, and preliminary lab data to define each patient's central clinical problem.

Strongly Disagree   Disagree   Neutral   Agree   Strongly Agree  
           

I am able to develop prioritized differential diagnoses, evidence based diagnostic and therapeutic plans for common conditions in Internal Medicine patients.

Strongly Disagree   Disagree   Neutral   Agree   Strongly Agree  
           

I am able to recognize situations with a need for urgent or emergent medical care, including life-threatening conditions.

Strongly Disagree   Disagree   Neutral   Agree   Strongly Agree

I am able to recognize when to seek additional guidance.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to provide appropriate preventive care.

Strongly Disagree Disagree Neutral Agree Strongly Agree N/A

I am able to manage patients with common clinical disorders in the practice of outpatient internal medicine with minimal supervision.

Strongly Disagree Disagree Neutral Agree Strongly Agree N/A

I have performed several invasive procedures and documented them in my New Innovations log.

Yes No N/A

I demonstrate sufficient knowledge to diagnose and treat common conditions that require hospitalization.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I understand the indications for and the basic interpretation of common diagnostic tests.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have reviewed my in service exam scores and believe my medical knowledge is where it should be for my level of training.

Yes No N/A

I am able to identify clinical questions as they emerge in patient care activities.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am responsive to feedback from all members of the healthcare team including faculty, residents, students, nurses, allied health professionals, patients and their advocates.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am an active participant in teaching rounds and intern report.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have reviewed the number of continuity clinics that I have attended in the past 6 months and I have attended at least 22 sessions.

Yes No N/A

I have taken the on line human subjects research course (UMiami) and have had an initial meeting with Dr. Kuntz to explore my required scholarly project.

Yes No N/A

I effectively use verbal and non verbal skills to create rapport with patients and their advocates.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I communicate effectively with other caregivers to ensure safe transitions in care.

Strongly Disagree Disagree Neutral Agree Strongly Agree

My patient presentations on rounds are organized, complete and succinct.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to communicate the plan of care to all the members of the healthcare team.

Strongly Disagree Disagree Neutral Agree Strongly Agree

My documentation in the medical record is accurate, complete and timely.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I accept personal errors and honestly acknowledge them.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I demonstrate compassion and respect to all patients.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I complete my clinical, administrative and academic tasks promptly.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I maintain patient confidentiality.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I log my duty hours regularly and make every effort not to violate the rules.

Yes	No
<input type="radio"/>	<input type="radio"/>

When I feel I am too fatigued to work safely, I understand that I can call the chief medical residents for back-up.

Yes	No
<input type="radio"/>	<input type="radio"/>

I understand the unique roles and services provided by the workers in the local health delivery system (social workers, case managers, dept of public health etc...).

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I work to identify barriers to optimal patient care within the system.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I am able to identify, reflect on, and learn from critical incidents such as near misses and preventable medical errors.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I do my best to minimize unnecessary care including tests, procedures, therapies and consultations.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
