I am able to obtain relevant historical subtleties that prioritize the differential diagnosis and diagnostic plans including sensitive information that may not often be volunteered by the patient.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I am able to demonstrate and teach how to elicit important physical findings for junior members of the health care team.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I am able to modify my differential diagnosis and clinical decisions based on a patient's clinical course and additional data.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I am able to recognize situations with a need for urgent or emergent medical care, including life-threatening conditions.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I have independently performed invasive procedures and am on track to be certified in over half of the required procedures.

Yes	No	N/A
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I demonstrate sufficient knowledge to independently evaluate common ambulatory conditions and provide preventive care.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I demonstrate sufficient knowledge to diagnose and treat undifferentiated and emergent conditions.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I understand the indications for and the basic interpretation of more advanced diagnostic tests.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have reviewed my in service exam scores and believe my medical knowledge is where it should be for my level of training.

Yes No N/A

I am able to precisely articulate clinical questions.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to access medical information resources to answer clinical questions and support decision making.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to effectively and efficiently search evidence based medical information resources.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I reflect on the feedback and incorporate it into my daily practice to become a better team leader, teacher and clinician.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have reviewed the number of continuity clinics that I have attended to date and it is greater than or equal to the minimum required number of 65 (130 over three years).

Yes No N/A

I am actively engaged in a scholarly project with a mentor and timeline and have discussed my project with Dr. Kuntz.

Yes No N/A

I engage patients in shared decision making for uncomplicated diagnostic and therapeutic scenarios.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I role model and teach effective communication with next caregivers to ensure safe transitions in care.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I ensure succinct, relevant and patient specific written documentation.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I provide support for dying patients and their families.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I recognize, respond to and report impairment in colleagues.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I educate and hold others accountable for patient confidentiality.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I log my duty hours regularly and make every effort not to violate the rules.

Yes No

When I feel I am too fatigued to work safely, I understand that I can call the chief medical residents for back-up.

Yes No

I manage and coordinate care transitions across multiple delivery systems including ambulatory, subacute, acute, rehabilitation and skilled nursing facilities.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I dialogue with members of the care team to identify risk for and prevent medical errors.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I apply cost-awareness principles into standard clinical judgments and decision making.

Strongly Disagree Disagree Neutral Agree Strongly Agree

Please identify three specific clinical skills that you have improved over the past six months:
