I am able to role model the gathering of subtle and difficult information from the patient for junior members of the healthcare team.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I routinely identify subtle or unusual physical findings that may influence clinical decision making.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I recognize disease presentations that deviate from common patterns and that require complex decision making.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I can competently manage patients with conditions that require intensive care.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I can independently manage patients with a broad spectrum of clinical disorders seen in the practice of general internal medicine.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I routinely customize the care I provide a patient to the context of the patient's preferences and overall health status.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I can provide Internal Medicine consultation for patients with more complex clinical problems requiring detailed risk assessment.

Strongly Disagree Disagree Neutral Agree Strongly Agree N/A

I am certified to independently perform the majority of required invasive procedures and have supervised others in this process.

Yes No N/A

I demonstrate sufficient knowledge to evaluate patients with complex or rare medical conditions and multiple coexistent conditions

Strongly Disagree Disagree Neutral Agree Strongly Agree

I demonstrate sufficient knowledge of clinical guidelines in ambulatory medicine to provide high value, cost-conscious care to a panel of patients.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have reviewed my in service exam scores and believe my medical knowledge is on track to pass the ABIM Certification Exam.

Yes No N/A

I can identify areas in my own practice that can be modified to improve patient outcomes.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have participated in a quality improvement project during my residency.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to independently use the medical literature to answer my clinical questions.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to integrate clinical evidence, clinical context and patient preferences into the decision making process.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I take a leadership role in the education of all members of the health care team.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am dedicated to learning from each and every patient I see.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I have reviewed the number of continuity clinics that I have attended in the past 2.5 years and I am on target to reach the minimum required 130 clinics by the end of the year.

Yes No N/A

I am on target to complete my required scholarly project before graduation.

Yes No N/A

I role model effective communication skills in challenging situations.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I actively seek to understand patient differences and views and am able to respectfully communicate this understanding during the decision making process.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I engage in collaborative communication with all members of the health care team.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am able to recognize and manage subtle conflicts of interest as an independent physician.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I serve as a professional role model for more junior colleagues.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I am an effective advocate for individual patient needs.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I log my duty hours regularly and make every effort not to violate the rules.

Yes No

When I feel I am too fatigued to work safely, I understand that I can call the chief medical residents for back-up.

Yes No

I demonstrate how to manage a team by using the skills and coordinating the activities of interprofessional team members.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I partner with the other health care professionals to identify and propose improvement opportunities within the system.

Strongly Disagree Disagree Neutral Agree Strongly Agree

I demonstrate the incorporation of cost-awareness principles into complex clinical scenarios.

Strongly Disagree Disagree Neutral Agree Strongly Agree

Please identify three specific clinical skills that you have improved over the past six months:

Remaining Characters: 5,000

Please set three specific goals for the next six months:
