

**R2 COMPETENCY BASED
RESIDENT AMBULATORY PRACTICE EVALUATION FORM**

Resident: _____ **Site:** _____
Evaluator: _____

Evaluation Period: **May to October** **Nov to April** (circle one)

Specific written comments by competency or in summary are requested. Comments must be included if "needs improvement" is selected for any item.

1. Patient Care

Milestone Identifier	Milestone
PC-A3	Obtain relevant historical subtleties that inform and prioritize both differential diagnoses and diagnostic plans, including sensitive, complicated, and detailed information that may not often be volunteered by the patient. <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
PC-C2	Develop prioritized differential diagnoses, evidence-based diagnostic and therapeutic plan for common ambulatory conditions <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
PC-F4	With supervision, manage patients with common clinical disorders seen in the practice of ambulatory general medicine <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

Comments:

2. Medical Knowledge

Milestone Identifier	Milestone
MK-A3	Demonstrate sufficient knowledge to evaluate common ambulatory conditions <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
MK-B2	Understand indications for and has basic skills in interpreting more advanced diagnostic tests. <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

Comments:

3. Practice Based Learning

Milestone Identifier	Milestone
PBLI-A2	Perform or review audit of a panel of patients using standardized, disease-specific, and evidence-based criteria <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
PBLI-B3	Develop a system to track, pursue, and reflect on clinical questions <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

PBLI-C3	Effectively and efficiently search evidence-based summary medical information resources <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
PBLI-F4	Reflect on feedback in developing plans for improvement <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
PBLI-G1	Maintain awareness of the situation in the moment, and respond to meet situational needs <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

Comments:

4. Interpersonal and Communication Skills

Milestone Identifier	Milestone
ICS-A4	Engage patients/advocates in shared decision-making for uncomplicated diagnostic and therapeutic scenarios <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
ICS-B2	Demonstrate sensitivity to differences in patients including but not limited to race, culture, gender, sexual orientation, socioeconomic status, literacy, and religious beliefs. <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
ICS-D2	Effectively communicate plan of care to all members of the health care team. <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
ICS-F1	Provide legible, accurate, complete, and timely written communication that is congruent with medical standards <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

Comments:

5. Professionalism

Milestone Identifier	Milestone
P-A1	Document and report clinical information truthfully <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
P-B1	Demonstrate empathy and compassion to all patients <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
P-F5	Recognize the scope of his/her abilities and ask for supervision and assistance appropriately <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
P-J2	Educate and hold others accountable for patient confidentiality <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

Comments:

6. Systems Based Practice

Milestone	Milestone
-----------	-----------

Identifier	
SBP-A2	Manage and coordinate care and care transitions across multiple delivery systems, including ambulatory, subacute, acute, rehabilitation, and skilled nursing <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
SBP-B1	Appreciate roles of a variety of health care providers, including, but not limited to, consultants, therapists, nurses, home care workers, pharmacists, and social workers <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
SBP-D2	Understand how cost-benefit analysis is applied to patient care (i.e. via principles of screening tests and the development of clinical guidelines) <i>Needs Improvement Meets Expectations Exceeds Expectations</i>
SBP-E3	Demonstrate the incorporation of cost-awareness, principles into standard clinical judgments and decision-making <i>Needs Improvement Meets Expectations Exceeds Expectations</i>

Comments:

Overall Comments:

Based on this evaluation, what are three things the resident needs to improve on the most?

- 1.
- 2.
- 3.

Other Comments:

My attending discussed this survey with me: Yes No
