

Academic Internal Medicine Week 2026
GME Precourse From Insight to Impact:
Developing Yourself as a Next-Generation Faculty Leader in AI
April 19, 2026
Seattle, Washington

Artificial intelligence (AI) is reshaping graduate medical education, patient care, and the practice of medicine. The precourse provides participants with a framework to move from a conceptual understanding of AI to meaningful implementation. Precourse will explore how to responsibly integrate AI into residency training programs. Attendees will build a foundational understanding of the strategic and leadership skills needed to navigate the evolving AI landscape. They will leave with key resources to advance their growth as institutional AI champions

Target Audience

GME leaders and faculty interested in building their AI knowledge and skills.

Learning Objectives At the completion of the conference, participants should be able to:

- Develop a framework to integrate AI responsibly in a residency program
- Discuss leadership skills relevant to managing AI in academic medicine.

Program Schedule/Agenda

12:00 p.m. to 1:00 p.m.

Lunch

1:00 p.m. to 1:15 p.m.

Welcome and Introduction

Alex Glaser, MD

Pennsylvania Hospital of the University
of Pennsylvania Health System

Ateeq Rehman, MD, FACP

Marshfield Clinic

1:15 p.m. to 2:15 p.m.

From Pedagogy to Practice: Framing AI in Medical Education

Anoop Agarwal, MD

Baylor College of Medicine

2:15 p.m. to 3:15 p.m.

Ensuring Learner Readiness for Patient-Facing AI Tools

Janie Abernethy, MD, MPH
Paul O'Rourke, MD
Amteshwar Singh, MD, M.Ed., FHM, FACP
Johns Hopkins University/Bayview Medical Center

3:15 p.m. to 3:30 p.m.

Break

3:30 p.m. to 4:30 p.m.

Concurrent Breakout Sessions

1) *Enhancing Learner Feedback with Actionable AI Tools*

Margaret Horlick, MD
Daniel Sartori, MD
New York University Grossman School of Medicine

2) *Now Make It Legal: AI Ethics, Policy, and Privacy in GME*

Luis Daniel Lugo, MD, MBA
Lakeland Regional Health

4:40 p.m. to 5:00 p.m.

Wrap Up and Closing

Jayne Barr, MD, MPH
Case Western Reserve University (MetroHealth)

Allison Ferris, MD, FACP
Florida Atlantic University Charles E. Schmidt
College of Medicine

Disclosure Summary

It is the policy of University of California San Diego School of Medicine Continuing Professional Development to ensure that the content of accredited continuing education and related materials is accurate, balanced, objective, and scientifically justified. Education must be free of the influence or control of ineligible companies, and protect learners from promotion, marketing, and commercial bias. All persons in a position to control the content of accredited continuing

education must disclose all financial relationships held with ineligible companies, prior to assuming a role in the activity. Those relationships deemed relevant to the education are mitigated prior to the activity through one of the following strategies, depending on the nature of relationship and the role of the person: 1) divesting the financial relationship, 2) altering the individual's control over content, and/or 3) validating the planning decisions and/or content through independent peer review. All relevant financial relationships are mitigated prior to the activity and mitigation strategies and necessary steps for implementation are communicated to individuals prior to them assuming their role in the activity. Persons who refuse or fail to disclose are disqualified from participating in the activity. Activities are evaluated by participants and peer reviewers to determine if the content was free of bias and met acceptable scientific standards. This information is considered in future activity planning. **All relevant financial relationships and the nature of those relationships are noted below. All relevant financial relationships have been mitigated.**

Persons in control of content of this educational activity who are not specifically identified by name above, such as (but not limited to) course directors, faculty, CPD staff, planners, editorial staff, peer reviewers, and CPD committee reviewers do not have any relevant financial relationships.

This educational activity may contain discussion of unlabeled and/or investigational uses of agents that are not approved by the FDA. Please consult the prescribing information for each product. The views and opinions expressed in this activity are those of the faculty and do not necessarily reflect the views of the University of California San Diego School of Medicine.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of University of California San Diego School of Medicine and Alliance for Academic Internal Medicine. The University of California San Diego School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of California San Diego School of Medicine designates this live activity for a maximum of **3 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Cultural & Linguistic Competency and Implicit Bias:

Continuing medical education (CME) providers are required by state Assembly Bills 1195 and 241, and the **standards** created by the California Medical Association (CMA), to include components that address cultural and linguistic competency and implicit bias in CME activities. The planners and presenters of this activity has been asked to provide meaningful consideration of these standards in the selection and presentation of content. Additional information and resources are available on the **[UC San Diego CME website](#)**.

Claiming Credit, Activity Evaluation and Certificates

To claim credit for your attendance please use the following link, <https://ucsd.cloud-cme.com/default.aspx>. Use the following set of instructions to create an account in UCSDs CloudCME system, <https://bit.ly/3YgBYon>. Once you have created your account and logged into the system you will need to claim credit by clicking on **My CME** on the top right, click on **Claim Credit**, enter claim credit code **21345**, complete your evaluation, and then you will be able to download your certificate. If you would like a step-by-step guide please use the following link <https://bit.ly/3PXugf6>. ***Please email us at cpdoffice@health.ucsd.edu if you need assistance with Signing In to your CloudCME account.**

Once you complete and submit your evaluation, your certificate will be available immediately for download. The last day to claim credit online is **May 6, 2026**.
