AAIM Research Pathway Summit Generates Best Practices across Programs

More than 50 leaders and recent pathway graduates attended the AAIM Residency Research Pathway Directors Summit March 21-22 in Baltimore, MD. With a goal of identifying and sharing curriculum, programmatic outcomes, and operational practices that best promote the future success of ABIM Research Pathway graduates, they worked in small groups to discuss success factors, recruitment, infrastructure, mentoring, funding, and continuous improvement. Recommendations from the summit will be compiled and published in upcoming months.

FWW Opens Call for Research Awards in Women's Health

The Foundation for Women's Wellness Research Awards target early funding for small, short-term studies with promise for improving medical knowledge in cardiovascular disease, leading female cancers, the role of hormones in disease and stage-of-life health issues such as pregnancy and menopause and diseases disproportionately affecting women. Applications are due June 20, 2017. Each \$25,000 award is non-recurring.
