Denver/Centennial IMA Chapter Scholarship Program 2024 Application Form

IMA® (Institute of Management Accountants) is the worldwide association of accountants and financial professionals in business. Founded in 1919, we are one of the largest and most respected associations focused exclusively on advancing the management accounting profession. We are committed to empowering our 125,000+ members—and those throughout the rest of the profession—to strengthen on-the-job skills, better manage companies, and accelerate careers. The IMA is the organization behind the Certified Management Accountant (CMA) credential, which provides best-in-class certification for critical internal financial management responsibilities, including planning, budgeting, business reporting, decision analysis, and risk management.

The **Denver/Centennial IMA** is your local chapter dedicated to offering continuing education courses and networking opportunities to our membership. Each year, we co-host the Rocky Mountain Area Conference and use the proceeds to help fund the next generation of management accounts by offering scholarships to our local students!
