

Paul Barber
Prophix
Chief Executive Office

Paul Barber is the CEO of Prophix Software. He is a graduate of Cambridge University, with an MA in Mathematics, and holds an MBA from the Richard Ivey School of Business at the University of Western Ontario.

Paul has worked in the software industry for over thirty years in such areas as Decision Support Systems, Executive Information Systems, Business Intelligence, and Corporate Performance Management. His functional experience includes sales, marketing, professional services, and general management.

In recent years, Paul led Prophix Software's metamorphosis from software distributor to developer of world class Corporate Performance Management solutions.
