Hi UP IMA Chapter Member!

That's a wrap on another year of IMA! Our chapter offered six CPE credits this year – tours of RTI Surgical and Argonics as well as an update on Eagle Mine at our Holiday Dinner! For those needing CPE, this is a fun and educational way of obtaining them. Many thanks to those involved in setting up these activities and especially to our hosts and speakers. Your efforts have made this year another successful year of IMA! We also granted a college scholarship to an NMU accounting student.

Finally, thanks to our loyal and committed board of directors – Mary Gingras, Gary Simpson, Richelle Schwaller, Paul Byrnes, and Mary Schlicht. As this concludes my many terms as President, I also want to thank past members of the board of directors – Kenneth Mullins, Tim Yeadon, Mark Link, Steve Foulks, Kathy Foulks, Lee Bennett, and Ken Janson. In addition, special thanks to the several IMA members that allowed our chapter to tour their businesses – Mark Arriero, Roy Thurston, and Scott Manninen. And good luck to our incoming president – Stacy Boyer-Davis.

It's been fun, **but the end is near!!!**

Your (soon to be) **PAST** President,

Joel Thompson
