Message from The President

This has been a trying year for us all. The IMA Michiana Chapter was not immune to this chaotic time. Our membership is strong but finding speakers this year has been difficult due to the isolation the pandemic mandated. IMA Global has made the decision that we should remain virtual until further notice. Therefore we have made the decision that until being told differently that we will continue this practice into the next competition year. I personally was looking forward to getting back together but at this time that is impossible. We will keep all of you posted but hope to see you online on April 20th.
