

IMA Leadership Academy Workshop - Embracing Change

February 02, 2021 at 12:00 PM EST

Session Summary:

As a finance manager your ability to adapt to change and thrive is what will keep you competitive in today's market. Change is all around, learn how to process change, increase comprehension of change and its impact, detail the differences between transition and change, identify challenges to change and opportunities that follow it, and develop techniques to embrace change.

Learning Objectives:

After this session, you will be able to:

1. Define change and its impact on individuals.
2. Describe transition and its differences from change.
3. Recognize why and when change is necessary.
4. Explore common challenges and identify opportunities that arise with change.
5. Outline techniques to embrace change.

CPE Credit: 1.0 NASBA CPE credits

Delivery Method: Group-Internet

Field of Study: Personal Development

Level: Basic

Prerequisites/Advanced Preparation: None

For more information about IMA official NASBA sponsor, refund/cancellation policy, and complaint resolution policy, please click here: [IMA CPE Info](#)

Registration is mandatory to participate. To ensure accurate CPE reporting, please provide your correct IMA member number as listed in your IMA membership profile. Your first and last name should also be as per your IMA profile. If any details are incorrect this could delay your CPE credits being reflected on your transcript and certificate being issued for this session.
