HOW IT WORKS

Once you've purchased our Premium course, we'll email you an IMA discount code for 30% off both the IMA membership fee and the CMA Entrance fee.

As long as the code is active, you can use it to pay the IMA membership fee and the CMA Entrance fee together or separately. If you're already an IMA member, you can still apply the discount code to the CMA Entrance fee.

Offer expires July 31, 2018
