

Who We Are

The IMA NorthEast Regional Council (IMA NERC) is a vibrant network within the Institute of Management Accountants (IMA®), proudly serving our chapters since 1972. We are committed to supporting our members and advancing the mission of the IMA®.

Founded over 100 years ago, IMA® is the worldwide association of accounting and finance professionals in business. IMA's mission is to provide a forum for research, practice development, education, knowledge sharing, and advocacy of the highest ethical and best business practices in management accounting and finance.

IMA NERC represents over 1,000 members across chapters in New England and Upstate New York, bringing together students, academics, and professionals to foster growth and connection in the field.
