Bylaws Review

Please note that the Board of Directors has made some changes to the by-laws of our chapter. We will need to take a vote (majority decision) at the September 18th meeting as to whether or not to adopt these as the official by-laws of the chapter or whether we need to make some changes. Please take a few minutes to review the bylaws on our chapter website:

Monthly Chuckles

Thanks to Ken for this month's jokes:

- There are just two rules for creating a successful accountancy business: 1. Don't tell them everything you know. 2. [Redacted].
 - What's an actuary? An accountant without the sense of humor.
 - What do actuaries do to liven up their office party? Invite an accountant.

Open Board of Directors Positions for 2019-2020

Attention Akron chapter IMA members: we are now looking for additional Board members for the next fiscal year. Note that if you serve on the Board for five years, you will qualify for reduced dues as an ELM (Emeritus Life Member) when you retire. Serving as a chapter Board member is a volunteer position that doesn't involve a huge time commitment. If interested in volunteering, please contact Joe Richards at akron@imachapter.org.

CMA Mentoring Program

The IMA Akron Chapter is proud to offer its members a mentoring program to assist CMA candidates with strategies to pass the CMA exam. The IMA Akron CMA Mentoring Program will encourage networking and provide career development opportunities designed to help CMA candidates (mentees) and other members (mentors) in our chapter to form valuable mentoring relationships. The success of this program will rely on volunteers to serve as mentors. Mentoring can take place online, by phone, or in person at Akron chapter events or other locations.

Mentees and mentors will be matched based on the needs of the mentee and the availability of the mentors. The ideal mentor for this CMA focused program would be an individual who has obtained the CMA certification and / or who has recently passed one or both parts of the newer two part CMA exam structure. All individuals who are currently enrolled in the CMA program and studying for the CMA exam are encouraged to enroll as a mentee. In addition, individuals who are undecided about obtaining the CMA certification and would like additional information or guidance are encouraged to enroll.

The CMA Designation - The CMA (Certified Management Accountant) is the advanced professional certification specifically designated to measure the accounting and financial management skills that drive business performance. Achieving the CMA credential demonstrates your mastery of financial planning, analysis, control, and decision support, as well as professional ethics.
