

STRAIGHT FROM THE HEART

HEART OF WISCONSIN IMA NEWSLETTER

SEPTEMBER 2020

Fellow IMA Members,

As the coronavirus outbreak continues, the IMA organization has cancelled all in-person events until further notice. Our number one priority remains to exercise social responsibility for the safety of our members and speakers. Together, we continue to demonstrate courage, care, and conviction of purpose during this challenging time.

Until we can meet again in-person, our chapter board will work to provide members with virtual CPE opportunities. If you have any questions or concerns, please reach out to any of the board members at imaheartofwi@gmail.com. Wishing you and your families good health.

We need volunteers!

The search is on for volunteers for the 2020/2021 board.

We are having a difficult time finding members willing to volunteer for board positions for 2020/2021. It is very likely that without enough board members our Chapter will have to discontinue operations in 2021.

Board positions require a minimal amount of your time each month, it is a great way to network with other professionals and students in the accounting field and earn CPE. For those members that are Wisconsin CPAs please consider earning some of your CPE for the new state licensing requirement by serving on our IMA Board of Directors.

If interested in joining or learning about the variety of positions available, send email inquiries to Becky.Austreng@sentry.com.
