

IMA Michigan Council President's Letter Spring 2018

Wow, how time flies. We are almost done with the competition year and my Presidency of the Council. When I made the decision to once again put my name in the hat to become the president of the Michigan council 2 years ago, I did not realize how fast that time would go. It has been a great year. We again had a successful Fall Conference with more than 150 attendees. We updated our Bylaws and made them much more functional for the 21st century. We have served all of you the way I envisioned when I took office in July and for that I am proud of our successes. I am truly humbled by the fact that you trusted me with this great organization for a second time and hope that you all will receive banners or banner patches this year. We will be submitting the Council Award of Excellence application in the next month and hope we can celebrate in June the successes of our Council and Chapters. Once again thank you for allowing me to serve you this year. If there is anything I can do for you for the rest of the IMA FY please do not hesitate to contact me at the e-mail listed below. Hope to see a lot of you at the Annual Conference in June in Indianapolis.

Thank you,

John H. Engel, MNA
President of the Michigan Council 2017-2018
